Mr. Del Davidson
Custodian, Intercollegiate Athletics
University of Kansas

Dear Mr. Davidson:

Mrs. Stayton of Miller Hall called me and stated that she had not received her ping pong table. I was under the impression that the table had been made and delivered to her.

Doubtless you might have confused this order with an order for Miss Zipple for a table. Miss Zipple wants her table for the Union Building; so that makes an order for Mrs. Stayton and an order for Miss Zipple.

The girls at Miller Hall are playing a ping pong or table tennis tournament in the next week or ten days and I would appreciate it greatly if it would be possible for you to make this table for the girls. It seems as if it was along in the summer that Mrs. Stayton first spoke to me about this.

I am wondering if there is any way that Mrs. Stayton could have the table that you are now making for Miss Zipple, without making anyone angry.

I also want to speak to you about building a driving range for golf and an indoor archery range on the running track. I have tried to get in touch with Mr. Bayles but have not succeeded as yet. I would like for you to plan on something and then if we get the final okay we can go ahead.

Sincerely yours,

Director of Physical Education and Recreation
