Dr. Forrest C. Allen
Director of Physical Education
University of Kansas

Dear Dr. Allen:

Received your letter of October 29 and I was quite surprised at both the contents and the tone, as I feel that I've been more than fair in giving over three months notice.

I would like to leave with good feeling and that is why I told you of my intentions as early as October 15.

I am sorry that you do not see fit to accept my resignation in a more cooperative spirit, but I feel that the decision of marriage is of most importance and not merely a matter of my convenience, so, I've made up my mind not to return the second semester.

As to finding a person to fill my vacancy and to outlining my work for this person, I will be glad to do all in my power.

Sincerely,

Catherine Dunkel
