Miss Catherine Dunkel  
Robinson Gymnasium  
University of Kansas

Dear Miss Dunkel:

I am sorry to tell you that I had a conference with Chancellor Malott last Friday and he said under no circumstances would he accept your resignation at the end of the first semester. He feels that it is your obligation, inasmuch as you took the job for this year, to continue until the end of the second semester.

Frankly, I feel in entire accord with him because it leaves the University in a position that they are unable to find replacement to fill your position.

Had this resignation been asked on account of your bettering yourself in a professional way, the University would have doubtless considered your request from a different angle, but since your professional responsibility should exceed your convenience in this case, I am passing on the emphatic opinion of the Chancellor.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
