Miss Catherine Dunkel
Physical Education Dept.
University of Kansas

Dear Miss Dunkel:

I have your letter of October 15 and
I will be very happy to talk with you.

Naturally I hope you will postpone
your plans until the end of the school year, as
both of us might receive some criticism for
not knowing more about this beforehand; however,
I am not opposed to the institution of marriage.

I assure you I will keep this in
strict confidence.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
