Miss Ruth Hoover  
Robinson Gym.

Dear Miss Hoover:

Congratulations on your "Come and Play"  
letter. It certainly should get the job done.

I am sure that any of the dames who now  
want to play will get their wishes, regardless of  
the form of entertainment they wish to adopt.

Thank you for sending me a copy. I am  
sending my copy on to Chancellor Malott because unless  
it is addressed directly to him it never gets there.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
