We are discontinuing the Saturday morning classes for the children of faculty members until weather conditions have improved. The cold weather has cut the class attendance to practically nothing.

Since examination time is upon us, and enrollment for the second semester will soon take place, Miss Byrn and Mr. DeGroot, who have so generously contributed their time on Saturday mornings, will be occupied with other duties for a time. Notice will be sent to you as soon as the classes for the children are to be continued.

I trust that the children who have been coming to Robinson Gymnasium at 9 o'clock on Saturday mornings have enjoyed themselves, and that their parents are pleased with their activities.

Assuring you of our cooperation at all times,

I am

Very sincerely yours,

Director of Physical Education
and Recreation
