Dr. F. C. Allen
Director Physical Education

Dear Dr. Allen: —

It really seems a little amusing, a little unreal, and perhaps a little like destiny that Catherine is being considered for part of what was my work. I must confess that when I suggested her I did it with some hesitation from two points of view. I wasn't sure whether she would want to face such a decision for I knew her real wishes in the matter would be colored by a fear of trying to fill my shoes. And then I thought I supposed that she had probably already occurred to either Quik or you. But when I knew you were still looking for someone I simply turned over in my mind the names of any girls I knew who could do the whole dance program and only four came to me. They were Jane Byn, Quik Pyle, Virginia Walker, and Catherine.
