Miss Ruth Hoover,  
Department of Physical Education,  
University of Kansas.

Dear Miss Hoover:

Beginning next fall we will desire to use the main auditorium of the gymnasium, or the basketball court, for freshman practice. It will not be possible for us to release the floor at 8:30 on Tuesday and Thursday evenings, inasmuch as the freshmen eat their supper before coming up and it is possible to do very little before 8:30.

If you care to use it at 9 o'clock it will be entirely satisfactory.

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
