TO THE MEN OF THE UNIVERSITY FACULTY:

Welcome, faculty men, to Robinson Gymnasium where you have a new, spacious, well-lighted and freshly-painted private dressing room with private built-in shower bath!

For the first time since Robinson Gymnasium was built, thirty-three years ago, the faculty have a place to shower in private. There will be enough lockers in this room for everyone. All that is necessary to gain entrance is for you to have a duplicate key to the door of the room. The charge for this key is 25¢, and one may be obtained at my office.

I trust that many of you will avail yourselves of this opportunity to use the gymnasium and play facilities. We will organize some classes or teams in individual or group games, if you are interested. Let us know if you would like to join such a group.

Mr. E. B. DeGroot, a graduate of Stanford University, who has just returned from two years of teaching in Hawaii, is a new member of our Physical Education faculty, and he will be happy to conduct classes in badminton, volley ball, swimming, aerial darts, or any activity of your choice. Please communicate with him or with this office and express your preference for games or activities.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
