Miss Elizabeth Dunkel,
Department of Physical Education.

Dear Miss Dunkel:

We dislike to bother you with too many details, but Mr. Bingham and I had talked about another health poster -- Happy Face, Happy Feet, and so forth. Since Miss Hoover is in the hospital I am wondering if you would work with Mr. Bingham and me toward getting the young lady with the feet and the face before the camera.

I had an idea of using the contrast -- Happy Feet, Happy Face and Pinched Feet, Pinched Face. Of course, I want something better than that, but it gives you the idea. Will you keep these suggestions in mind so that we can have the photograph made at an early date?

I would like to have at least three posters for the exhibit at Pittsburg on March 25 and 26. I will appreciate your cooperation.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
