Dear Mrs Hulsten -

I have scribbled out a few pages, which I trust are legible.

Please make 2 research

papers - one for our own proficiency scoring table and the second one in which Big Six schools helped.

There some doctoring for you to do on p. X - where you put it in on p. 2 where I wrote in or started to and there I knew that it was needless for you to have too much direction & and confident that you'll fix it ok.

See the Four non-conference and Five Conf - game - sheet item 16. there is an error 13.5 and 11.75 make 24.80 and not 25.25. Pls correct.

Also see the Neb - game chart - there is an error see Durand's score 24 eval points less 4 make 20 and not 22 as shown. Hope that you can make it out. Saw tired Goodnight - (100)
