The Department of Physical Education offers a four-year curriculum for both men and women students desiring to specialize in Physical Education, leading to the degree of Bachelor of Science in Education.

Students desiring to become teachers of physical education or coaches of athletics with a major in physical education must register and enroll in the School of Education. Majors in physical education must present an academic minor of at least 20 hours in some teaching subject. Graduates who have completed this curriculum will, on application to the State Board of Education, receive the three-year renewable teacher's certificate without further examination.

In addition to the general admission requirements, students seeking admission to the four-year curriculum in physical education shall be required to present a certificate of physical fitness as a result of the physical examination at the University of Kansas Student Hospital. Each student shall be required to take an annual physical examination at the student hospital and to maintain satisfactory physical fitness.

Four-Year Curriculum in Physical Education

High School and General School of Education Requirements (for men and women):

3 years English  
2 years Physical Science or 2 years Mathematics
