Miss Ruth Hoover,
Department of Physical Education.

Dear Miss Hoover:

The night watchman, Mr. Liston, has reported that students were smoking in the corridor of the girls' gymnasium last evening.

We have had a sign placed in a conspicuous place calling attention to the fact that this is not a fireproof building, and we expect our faculty to emphatically enforce this regulation in the gymnasium.

I trust you will do what you can in asking the students to refrain from smoking on the approaches and in the building.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
