Miss Joie Stapleton,
1046 Vermont Street,
Lawrence, Kansas.

Dear Miss Stapleton:

Miss Hoover has been in twice to ask about your appointment, and I have been over to see Dean Schwegler about it, but the Dean was not in the office so I was unable to see him.

I understood that the Chancellor was to send a letter to Dean Schwegler after your conference with him last Saturday. I have called the Chancellor's Office and learn that Chancellor Lindley has been out of town since you saw him last Saturday, and for that reason the letter has not been written. He will return tomorrow, and the matter will be brought to his attention Monday morning.

I am very sorry for the delay in getting some definite word to you, but as you know we cannot act until the administration acts. I assure you we are doing everything we can to ascertain definite information regarding your appointment. This is just a progress report to you, as I thought you might be getting a little anxious regarding your own plans.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
