

November 7, 1938.

Dean R. A. Schwegler,
School of Education.

Dear Dean Schwegler:

I am enclosing copy of the letter I took over to Chancellor Lindley this morning.

Miss Byrn is actually to do all of Miss Dunkel's dancing classes, and \$100 is mighty small compensation for that work, but we felt that since she is on part time that was as much as she could have. I am convinced that she should be compensated for this extra amount of work, and personally I would rather that Miss Stapleton have \$2100 and Miss Byrn the \$100 extra than to give Miss Stapleton \$2200.

Last summer Miss Byrn went to Wisconsin, and she is going back this next summer. The expense that she has gone to is all out of proportion in comparison to her salary.

Of course the increase amounts to only \$50 a semester in the budget this year.

As the Chancellor requested, if you will kindly see the budget committee on this matter and let me know at your earliest possible moment regarding what you are able to do, I will appreciate it. I need to get in touch with Miss Stapleton before she meets the appointment concerning this other position. Thank you very kindly.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
