Miss Joie Stapleton,
1046 Vermont Street,
Lawrence, Kansas.

Dear Joie:

I am enclosing copy of a letter which I wrote to Dean Schwegler in regard to your appointment. At Dean Schwegler's request I took a copy of this letter to Chancellor Lindley when I had a conference with him.

The Chancellor suggested that he would like to have a conference with you some time soon. He is out of town today, but I understand from his office that he will be here Saturday morning. I have made a tentative appointment for you with him for 10 o'clock Saturday morning. If there is to be a change in the time the Chancellor's office will call you.

I understand that you are to be in Lawrence Friday and Saturday. Since Friday is a holiday I am sending this special delivery so that you will have it before you see Chancellor Lindley.

With best wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
