

December 1, 1938.

Dean Paul B. Lawson,
College of Liberal Arts and Sciences,
University of Kansas.

Dear Dean Lawson:

I am enclosing herewith a copy of a letter that I have received from Miss Elizabeth Dunkel, tendering her resignation from the Department of Physical Education effective at the end of the present semester.

Miss Joie Stapleton has been recommended as Miss Dunkel's successor. Miss Stapleton is now Supervisor of Physical Education for the Intermediate Schools of Kansas City, Missouri. Her training and experience qualify her exceptionally well for the supervision of our practice teachers, and I am of the opinion that we are very fortunate in securing Miss Stapleton.

Miss Stapleton received her B. S. degree in Education from the University of Kansas in 1928. In 1935 she received the Master's degree from Columbia University, and she has also done an additional summer's graduate work. She has taught in the Kansas City schools since 1928. She began in the elementary schools, then was rotating teacher for the junior high school. Later she taught science and physical education in Southwest Senior High School. Prior to her present position she taught in the Kansas City Junior College.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
