

4/1-39.

Dear Mrs H -

Will you please
 mail to Mr Edw. J.
 Medart, Pres. Medart Mfg
 Co. St Louis, Mo, one of
 the never ones purchased
by Kusa, 1 only copy,
 of Better Basket Ball.
 I am writing them
 about diagraming the
 back board and I want
 them to see our set-up

on the flat board ² so that
can figure out the
correct bank on
the correct board.

I am telling them
that you are
making the book

Thank you
Sincerely
Oscar C. C. C.

4/1-39.

Dear Mrs. H -

at the ^{Big 6} coaches meeting in Chi. the 5 of us there, Mr. Menze, excepted, agreed that we would meet in K.C. Apr 15th for the purpose of drawing up the Big 6 B.B. schedule for next year.

If I remember that is the date of our swimming pool conference with Mr. Boyce. If that is true of course

I should ^{not} leave. Do see
ask you to write the 5
coaches a combined letter
stating that I had a
previous engagement
~~that~~ I could not recall
then but which was on
my calendar - that I
wrote you of the B.B. date
but that the summer
past conference was
previously set and this
conference demands
my presence there

So about the only thing
 that I could do is to
 agree upon a new
 date say Apr 14th if
 that is agreeable to them
 and if that date is
 clear on my schedule.
 You may tell ^{them} that
 I'll not return until
 Apr 10th altho I expect
 to return Apr 9th at 2.47 PM
 I'll write more definitely
 but wanted you to handle

This for me at your earliest.

I know how you must have slaved over these mined copies and I want you to know how very much I appreciate what you did.

They were well received and I think that it was worth while. I am going to use them at Friess but in addition I am going to use the covered board, the reduced size ^{covered} board and the 12 ft basket for research discussion. I am sure that I can make this very interesting with these new angles - I'll write again. sincerely
J.C.

Mrs H -

You may tell Mrs. W -
that she can definitely
count on me. I am
sorry that I have
caused her so much
confusion.

I remember that there
Dr. Billingsly on the
17th

Please make out

for me all of my
 dates so that I may
 see them upon my
 return — commencement
 etc and then may be
 Rip V - W — will
 have come out of his
 hibernation long enough
 to get them all straightened
 out = Thank you

Dear Mrs Hulthen -

This train is intensely rough but I think that I can get my message across. I have just wired you asking if it would be possible to get Dr Lapp to help the young C. D. E. P. man to summarize the 1939 B.B. Squad Evaluation Chart similar to the 1938 report submitted to the Scholastic Coach. Damn of the definite opinion that the Scholastic Coach will not print the report if it being too lengthy but if they do all well and good. Here is what I want and I know it is a big order. I would

like to have ² This Scholastic
Coach report mimeographed
I know this is a whole of an
order. It is not necessary
that you mention this to Dr.
Ebel and Lapp at the present but
I will give them both credit
for it when I use it. But

I would like this year's report
mimeographed when and if
Dr Lapp and his assistant can
do it. I want to use it
at Sioux City and Ofseo.

I want to call my document
Rating Basket Ball Players.
Their Batting and Fielding
Averages Computed.

It is not necessary to
carry the individual player
analysis out as was done
in pp 15 to 23. But I

would like the last few
pages computed as follows.

You could ask Dr. Lepp
about how many copies
of this new report should
be mimeographed for
the meeting at D. City
and then we can save
the stencils for added ones
for Frisco or you could
run off double the amt.
that you might use at

D. City.

Then the same thing
can be done for the
Scholastic Coach stuff.
I realize that there is
little time for this big
order so if Dr. Lepp

thinks that ⁴he couldn't do
this in time then tell him
to do the best that he can
during the short interim
and we will micrograph
the Scholastic Report - unless
it has already appeared in
print in the B. C. - which I
am sure that it has not.

We could staple these sheets
together and they could be
parcel post to the Martin
Hotel before Wed 31st.

I am not going to attempt
to read all of his stuff but
to distribute same to each
person in the room -
there were not over 50 in
attendance at the other
meetings on research - and
then I will use my 10 min
to hit the high points and let

San Francisco Overland Limited

Chicago & North Western Ry.

Union Pacific System

them study the stuff at home.
Most of these fellows distributed
the mimeographed stuff and
then proceeded painfully to
read the stuff - which I think
is a real pain in the neck.
Since I have coached the
team and outlined the
salient points for the
research study, as these points
relate to coaching skills that
are needful to team play -
I am sure that I can
put some pep in the
discussion ~~and~~ I can
point out the outstanding
angles helpful to coaching.

Miss Harriman can run the
mimeo machine for you.

Please check the English
of these reports so that
there will be no flare back

On exhibit (B) the third
page from the back
the figures are not
placably in their marginal
spaces so I wish that

you would please check these
I say - wouldn't it be a
joke if the copy that I have
is the only copy that you
or Dr Lapp has there?

If such is the case
ask him to do the best
that he can without this

guide ~~and~~⁷ Tell him that
I took this copy with
me for perusal but
I want the new study
worked out to the best
possible advantage.
If this is the only
copy for you I can
give it to you Fri. PM.
and there will still be
time to mimeograph
it for Detroit City.
But the other new
study must be begun
at once. But with
last years study done
it should be a much

8
easier matter to get the
new one done because
there is already a pattern.

I will mail this from
Reno. Nev. We get in

there in about an hour.

I am hoping that

this gets to you in
due time to not con-

fuse you too much.

Remember if you
can't get it done there
always will be a way.

Thanks a lot.

Sincerely yours,

Ernest Cannon

Dear Dr. Allen:

This is just a last minute reminder to let you know that we have made arrangements to have available for each meeting the following equipment: a 16 mm. moving picture machine, a standard slide projector, and a large size poster easel. If you will need any equipment in addition to this I would appreciate an early reply.

I should like to remind you that there are seven papers to be presented in a period of an hour and a half, and it is essential that each paper be so prepared that it will be presented in the ten minutes allotted to it.

As you doubtless know, the meetings will be held in the Hotel Martin at Sioux City, at 2 p.m. on Thursday and Friday, March 30 and 31.

Dr. Allen --

Mr. Allphin desires to use Glenn Oatman in his Minor Sports class at 9:30 TT after Easter, about 8 weeks, to give the class instruction in advanced golf. Heretofore Coach Hargiss has done this. Mr. Allphin, of course, expects to continue in charge of the class, but desired this assistance. Do you approve?

Dear Eddie:

I want to thank you so much for the thoughtful tribute that you paid me during the game Saturday night. I had my mind very much on the contest, and I will admit that I did hear parts of your introduction but I thought it was intended for Dr. Maismith.

If at the moment I seemed not to be at home you will understand it by knowing that I was so preoccupied with other things that I failed to detect that you had said those nice things about me.

Thank you so much.

TO MEMBERS OF THE DEPARTMENT OF PHYSICAL EDUCATION:

Word has come to this office that instructors in other academic classes are complaining that students in the gymnasium classes are reporting to their next class late, and they are using the excuse that they are held here so long that they haven't time to dress and get to class on time.

I have made investigation and have also observed that all our teachers are dismissing their classes in ample time for the students to get to their next classes. When the gym classes are dismissed at 10 minutes after the hour that gives the students 20 minutes before the next class begins.

I would appreciate it if each one of you would make announcements in your classes that it is the fault of the individual students if they fail to get to the next class on time, and we are passing on the word to the other teachers that our classes in this department are dismissed in ample time. Impress upon the students that the gymnasium is not a loafing place.

Cordially yours,

Director of Physical Education,
Varsity Basketball Coach.

P.S. Of course you will understand that we are referring to classes which require that the students dress.
