

By the way, Mrs. Paullin, nee Ellen Payne, came to see me soon after our summer school started, and she had with her Miss Doris Peterson of Texas Teachers College. Mrs. Paullin was interested that we should get Dr. Ann Duggan up here in the fall to put on her program and to turn the evening into social and folk dancing. I am wondering what you think about it. We could have the Sasmak Club sponsor it and we could have the dance here in the gymnasium if you think well enough of it. It was Mrs. Paullin's idea that if the physical education department would get back of it that it would go over and would give the students here an improved appreciation of this type of dancing.

Mr. John Moore, of the Y.M.C.A., also has asked me to do this thing. I told both of them that unless the women's department was enthusiastic about it I was not reaching out for more things to promote. I believe that the Sasmak Club could get behind it and do a fine job if you and the other women of the department think well enough of it. I would like to have your reaction.

Trusting that you are having a very pleasant summer, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
