Chancellor Deane W. Malott,
The University of Kansas.

Dear Chancellor Malott:

Thank you for your kind note of the 17th instant. I am glad you picked the name "Physical Conditioning" for our course. I am calling a meeting of the people on our staff to work out a program, and you may count on our enthusiastic cooperation in building this thing to the place that we believe you want it in the University program.

Very sincerely yours,

FCA:AH
