

40. PERSONAL HYGIENE AND COMMUNITY HEALTH. Three hours credit. Required of all candidates for the elementary school certificate. This course emphasizes the physical aspects of healthful and intelligent personal living, and application of the fundamental principles of health to the social group in both school and community. The techniques of health teaching and health development, particularly on the elementary school level, and the selection and use of teaching materials pertaining to personal hygiene and community health receive special attention. Elbel.

Fall semester. In summers, alternate with #39.

(Part of program for Sixty-Hour Certificate in School of Education.)
