Dean R. A. Schwegler,  
School of Education.

Dear Dean Schwegler:

I am enclosing a copy of Dean Stouffer's letter in which he states that the Administrative Committee of the Graduate School approved our course "Seminar in Physical Education" for the present semester only.

I am also enclosing a description of the course which we should like to offer through the Extension Division for Graduate credit.

We feel that we should build our graduate program in Physical Education very carefully. This Extension course, of course, must have approval of the School of Education and the Graduate School before it can be offered.

I shall appreciate your consideration of this offering.

Cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
