Mr. Forrest C. Allen  
Coach of Basketball  
Kansas University  
Lawrence, Kansas

Dear Mr. Allen:

Would you consider bringing your fine basketball team to Winfield for a game with Southwestern College on December eighth or ninth, the twenty-ninth or thirtieth, or January first to tenth inclusive?

If you would consider such a game, under what financial consideration would you agree to play it?

I know you are coming up with one of your greatest teams and that we would probably be unable to give you a hard contest, but due to the fact so many K. U. alumni reside here, we are anxious to have you play again on our schedule.

Trusting that you may see your way clear to play us, I remain,

Very truly yours,

*Wm. Monypeny*
