Dear Ethel and Maurice:

We are playing Rockhurst College in Kansas City Saturday night, the 11th, in Municipal Auditorium. I thought possibly Buddy and Bobby would like to see the game, although it might be a little late for the old folks. The game starts at 9:15.

Bess just got in yesterday morning and is at her club today. I am not sure if she is coming in to the game, but rather doubt if she will go.

Drop me a line here at the office and let me know how many tickets you would like to have so that I can make arrangements for them. We will be glad to take care of you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
