Mr. E. S. Gladden,
Treasurer & Collector,
Texas County,
Houston, Missouri.

Dear Mr. Gladden:

Thank you for your letter informing me that you have sent the check to Miss Fannie Britton, Cabool, the proper source.

I should think you would know each tax payer in that small community by heart. I am glad I started early in the payment of these taxes because the way things were going they probably would have been delinquent before the check arrived at the proper source.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
