

October 22, 1943.

Douglas County Rationing Board,  
Lawrence, Kansas.

Gentlemen:

I am enclosing my application for a renewal of highway gasoline rationing together with my tire inspection record. By way of asking for this application for a B card I may state that I am chairman of the Lawrence Day Nursery Committee, Chairman for the University in the Third War Loan drive, chairman for the University in the National War Fund and Community Chest drive; member of the Board of Directors of Community Chest, president of Lawrence Rotary Club, member of Chamber of Commerce, member of Salvation Army Board.

As a member of these various committees and organizations it is necessary for me to drive many miles a day in some instances in making connections or making speeches, attending meetings, and so forth. As a member of the University faculty I am often called upon to speak in the different schools in Lawrence as well as adjacent to Lawrence.

As state chairman of the Recreation Committee of the Parent-Teachers Association, I speak next month at Salina and Pratt, Kansas. Also, on November 15 I speak at Iola, Kansas, for the Farm Bureau of the Kansas State College Extension Division, with Dean Umberger. I respond only to these calls as they apply to the necessary activities on the home front.

As chairman of the Third War Loan drive and the National War Fund drive for the University it has been necessary for me to make many trips down town taking the collections to the Chamber of Commerce and making other necessary mileage trips in connection with this work.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
