Mr. Allen Nipper,
408 No. Lime St.,
Topeka, Kansas.

Dear Allen:

I have been looking over your transcript and it looks as if it had been hit by a bomb explosion - there are so many bright red F's and I's.

Somewhere there is lurking in the back of my cranium the thought that you told me once you had all A's. Should I say, "My, how the mighty have fallen!"?

I hope you will have all your "incompletes" removed before school begins next fall. Write me and let me know what you are doing about it.

With best wishes for a pleasant summer, I am

Sincerely yours,
