Mr. Dick Allen,
9839 Winner Road,
Independence, Mo.

Dear Dick:

The tickets will be in your name at the Municipal Auditorium each night. I will endeavor to get four for you, if possible. I believe that I can make it.

Will you please ask your mother to send me Hubert's address? I have a letter from Anderson and Bramwell, insurance agents, asking that I send some data to him which they have mailed to me here in Lawrence. I will appreciate a prompt reply as to Hubert's Chicago address.

Hope to see you and your mother at the games, but don't count on that as sometimes we miss out. Just mail the address to me here in Lawrence.

Affectionately,
