COMPANION:

SIR KNIGHT:

Dr. Farrest C. Allen

Your attention is respectfully called to the following

OFFICIAL NOTICE FOR THE PAYMENT OF DUES

Your Chapter dues for the year ending December 31, 19	<u>44</u>	, are	\$	<u>2⁰⁰</u>
Arrearages	\$	<u> </u>
Your Council dues for the year ending December 31, 19	<u>44</u>	, are	\$	<u>1⁵⁰</u>
Arrearages	\$	<u> </u>
Your Commandry dues to the end of the current Templar year are	\$	<u>4⁰⁰</u>
Arrearages	\$	<u> </u>
TOTAL										\$	<u>7⁵⁰</u>

The By-Laws of the Chapter, Council and Commandry require that dues shall be paid annually.

A member when in arrears for two years dues is subject to suspension, unless the dues are paid or remitted, by showing sufficient cause for his delinquency.

OSCAR J. LANE,
Secretary and Recorder.

Thanks - O. J. Lane

December 29, 1944.

Mr. A. J. McKinney,
Cabool, Missouri.

Dear Mr. McKinney:

Please find enclosed check for \$11.42 for taxes on my forty acres. I am planning to have my brother, who lives in southern Missouri, come and rehabilitate the place. I expect to fence it and clear the underbrush from it, and offer it for sale. Farm property will have good market value for the next several years.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

December 5, 1944.

Mr. Les Reber,
M. F. Hudson Company,
800 New Hampshire St.,
Lawrence, Kansas.

Dear Mr. Reber:

I am deducting the one dollar for fender welding which I spoke to you about the other day.

You remember I had it welded before and each time it was to be welded to the brace below, and each time the welder failed to do it. I am taking it over to Mr. Schultz to have it welded properly.

This is, I believe, according to our conversation. If it is not satisfactory, please inform me. The bill was \$26.35, and I am sending a check for \$25.35.

Sincerely yours,

A handwritten signature in cursive script, reading "Ernest Allen". The signature is written in dark ink and is positioned above the typed name and title.

Director of Physical Education,
Varsity Basketball Coach.

Thank you
Mrs. Hudson

December 5, 1944.

Dear Bobby and Jean:

I am wondering if you will be able to get away to see the Rockhurst game.

We got licked at Washburn, but I am not feeling terribly about it. Our boys had the worst case of stage fright that I have ever seen a group of youngsters have. Charlie Moffett steadied them, but they got pretty wild and threw the ball game away.

Washburn was leading by one point, with two minutes to play, and Kirk Scott, our best free thrower on the squad, had a free throw and blew it. That would have been the ball game, but that one point caused the boys to press too much, and then Washburn was hard to stall and our boys don't know how to meet it. Two quick goals in the last four seconds of play ended the game.

I have got to get more height, especially when they do not rebound. But we will have a pretty good ball club before the season is over. And too, while I am not minimizing the defeat, I still can't get too hopped up during war times about recruiting a basketball team. We will give a good account of ourselves before the season is over. I mean for a war season.

With our love, I am

Affectionately,

Lt. and Mrs. Robert E. Allen,
3717 Summit,
Kansas City, Mo.

November 14, 1944.

Mrs. Mary Hamilton,
860 Center Street,
Palo Alto, Calif.

Dear Mary:

Don't you get insulted when I send you these \$2.00 for nail brushes. I am so anxious to get them because I want to have one for my grip and one for home. That is the only thing with which I can keep my fingernails in shape, and I will appreciate it if you will mail them to me after your first shopping tour.

I am trying to get out an article so will make this a rather short, snappy business letter.

Little Jill Mons is as cute as a bug's ear. Mother and I go out to the hospital each day but the grandparents never see enough of Jill. We do get to visit with Jane. Mother no doubt has written you that Jane is as peppy as can be, but yesterday she let down a little and admitted she was a little fatigued.

But I promised to make this a short letter, and will let Mother tell you most of the news.

With love to Pete, Sonny, Joan and my Wibble-Wobble, and kind thoughts to the hamburgers that they call Hans, Dipsy Doodle, and so forth, I am

Affectionately,

RALPH H. MAJOR, M. D.

STUDENT COMMITTEE

MR. BERNARD HALL, CHAIRMAN
MR. BRUCE DOWNS
MISS NEVA KENNEDY

THE FRANCISCO MEMORIAL

May 18, 1944.

Francisco Fund Contributor:

Dear Friend:

In the development of any project certain problems arise that at first were not anticipated, problems that must be solved as the project progresses. It was our original plan to build a Student Union Building, costing \$200,000.00 or more, as a memorial to Dr. Francisco. Our campaign has brought us approximately \$10,000.00, most of which has been paid in cash.

At a recent meeting of the Endowment Committee the fact was stressed that perhaps we should not dedicate a building of this magnitude to one man. It was, rather, decided to set aside part of this building as a memorial to Dr. Francisco and to go ahead with our campaign to build a building with that thought in mind. The exact form that this Francisco Memorial will take, of course, cannot be determined until funds are available. It may be a social hall, a gymnasium, or a wing of the building. We are emphasizing the fact that there are two projects. We have been trying for five years to get a Student Union Building. This building will, because of its nature, never be supplied by the state. We see an opportunity to establish a memorial to Dr. Francisco in this building. Our School of Medicine has many friends, some of whom were not well acquainted with Dr. Francisco, who will help in the erection of a Student Union Building but who would not contribute to a Francisco Memorial. On the other hand, we have already found a great many individuals, you to whom this letter is being directed, who are interested in a Francisco Memorial. We hope to attain our goal of building a Student Union Building in which there will be a Francisco Memorial by asking for help from those who have a specific interest in each problem.

We are writing this letter at this time to clarify the situation. We want those who have contributed to the Francisco Memorial to know that their money will be spent for a memorial but we feel it will be impossible to raise sufficient money to erect a building on this appeal alone. We must have help from those who are anxious to see a Student Union Building on our campus but are not as much interested in the Francisco Memorial.

A new impetus has been given to the project by a group of individuals who have agreed to give a total of \$500.00 during the next three years to the project. These pledges are being given with the understanding that at least forty must agree to give this amount also. If you have the vision of a greater Kansas University School of Medicine, and if you have sufficient interest in the comfort and happiness of our medical students to help on this committee of forty, your pledge will be greatly appreciated.

Sincerely,

G. M. Tice, M.D. Chairman
Francisco Memorial Committee

July 31, 1944.

Dear Hoot and Jane:

Mother tells me that we can expect your pleasing and lovable personalities at our domicile sometime Friday or thereafter. I am writing a hasty note to suggest that Hoot bring along his golf clubs, if possible. And if the baggage compartment of the car is not ample to carry the clubs, be sure to stick the shoes in.

We will have the balls, and if the clubs or shoes are not available then we will dig up a pair of tennis shoes, a pair of shorts, and a T shirt. I am sure that Hoot will enjoy the exercise, and we will, so far as possible, call off all of our appointments so that we can engage the young man in the friendly game of pasture pool.

We will leave it to the women folks to make arrangements for the food, either at home or elsewhere.

So please be informed that we are delighted that you are coming, and although we are supposed to have a full schedule at the University, we will arrange it so that we will have a full schedule only in the line of entertainment of the Mons.

Anticipating your coming with great pleasure, I am

Affectionately yours,

Director of Physical Education,
Varsity Basketball Coach.

At a recent meeting of the Board of Regents your salary of
\$344.44 mo. for $9\frac{1}{2}$ months
beginning September 16 was officially approved.

DEANE W. MALOTT, *Chancellor.*

By

Ray Nichols

Executive Secretary.

THE UNIVERSITY OF KANSAS

F. C. Allen

Prof. - Phys. Educ.

At a recent meeting of the Board of Regents your salary of
\$444.44 mo. for 2½ months
beginning July 1 was officially approved.

DEANE W. MALOTT, *Chancellor.*

By

Ray Nichols

Executive Secretary.

THE UNIVERSITY OF KANSAS
OFFICE OF THE CHANCELLOR

To The Person Addressed:

Official notice of your appointment for 1944-45 is enclosed.

By order of the Board of Regents the appointment is contingent on enrollment. This is an annual contingency, but readjustment never has been necessary and I do not expect that one will be required this year.

The salary indicated is gross salary from which the Federal Withholding Tax will be deducted as required by law.

Members of the teaching staff (except in Engineering) will note that appointments for the regular term are for 9½ months of service beginning on September 16 and covering the 6-weeks Fall Term, the Winter Semester, and the Spring Semester. The compensation for this service will be 9½ months of salary—½ check for September and a full check for each month thereafter, October to June inclusive.

The enclosed Information Card should be filled out in detail and returned to the Chancellor's Office before the end of the first month of your appointment. The information requested is needed by the Chancellor's Office for compilation of the annual Directory of Employees and by the Business Office for disposition of the monthly salary checks.

Sincerely yours,

DEANE W. MALOTT, Chancellor

June 23, 1944.

Board of Directors,
Lawrence Country Club,
Lawrence, Kansas.

Gentlemen:

I observe that the floor of the shower room is in rather an un-sanitary condition, so far as the possibility of the spread of athlete's foot is concerned.

My only purpose in writing this letter is to endeavor to improve the situation. We have had a very profitable experience in our gymnasium where we have over five thousand men a week using the showers in the basement of Robinson Gymnasium.

It may sound boastful, but we have had no knowledge of any cases of athlete's foot come to our attention by hospital authorities. It has been more than a year ago that the Cramer Chemical Company, of Gardner, Kansas, installed some three-foot-square wooden boxes. The boxes are about six inches high. They did this as an experiment with no cost to us. An anti-septic powder - a fungus germicide - was used. This powder was perfected by Dr. L. L. Boughton, Dr. A. J. Mix, and Dr. E. L. Trecece, and it has done a wonderful job. It is rather a departure from the old liquid anti-septic used in so many shower rooms because the feet should be dried first before the individual steps into the box. This insures a dryness between the toes, which is more beneficial than moisture where athlete's foot develops.

The old name of athlete's foot was "Hongkong" or "Asiatic" foot, developed in warm climates where the temperature was very high.

Cramer Company retails this powder at 16¢ a pound. We buy it in 100 pound lots. If the Country Club would like to experiment with this we would be glad to let the Board of Directors have any amount that they would like to try out before they purchast it, at the regular cost to us.

There is a rubber container propped up against the wall near the shower bath. It is not as large as would be most satisfactory for a number of bathers, but it would serve the purpose for a trial.

I bring this to your attention because I have heard a number of old time members say the reason they do not bathe at the Country Club is because they are afraid of athlete's foot. You can easily see they feel the Country Club shower room floor is not kept in a hygienic condition.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

PCA:AH

P.S. This footnote is written because I have further pride in the entrance to the Country Club. The old cinder sidewalk leading to the Country Club would be greatly improved by a load of chat over that surface.

And, too, I hear you say that the looks of the Country Club would be much improved if I wore a shirt, - but I like the sunshine.

ROBERT A. STEEN, D. O., SECRETARY

20-2909

5-44-134 Sets

June 21, 1944.

Dear Bobby and Jean:

Mother just received a letter from Cliff McWilliams. He states, "This letter will probably be one of my last before an out-bound trip as I am expecting orders any day and have been given the unofficial word."

He states further, "I would like a little information, if Dr. Allen happens to know of any of the colleges that might have a vacancy for an enterprising young fellow as coaching assistant. My older brother, 29, a first lieutenant in the glider infantry division, special services, has been honorably discharged from the army due to an old knee injury. He was a splendid football, basketball and track man in college. He has had two years of high school coaching experience and taught vocational work in agriculture, for which he is well qualified. He is rather at a low ebb because of the Army's sudden action, and I know he would like to be connected in some capacity with competitive athletic coaching.

"If you know of any men to whom I might write I would be most appreciative indeed, as he is a very capable fellow and I have never felt he had the good fortune that it has been my privilege to enjoy."

Bobby, I will appreciate it very much if you will take the letter that I am enclosing to you and send it on to Cliff's brother. Cliff did not mention his brother's name nor where he is living. Therefore, I would like for you to write him and tell him to write to Principal Miller.

Cliff enclosed a photograph and on the back he said, "A snake, me and my car." And the snake is about $4\frac{1}{2}$ or 5 feet long. It might be one that he knitted in his spare hours, but it looks real in the photograph. I am not sending it to you because I am sure Mother will want it. She loves snakes!

My love to you and Jean.

Affectionately,

Director of Physical Education,
Varsity Basketball Coach.

EMPORIA, KANSAS

June 1, 1944.

TO ALL OSTEOPATHIC PHYSICIANS HOLDING
A CERTIFICATE TO PRACTICE IN KANSAS:

Dear Doctor;

The Annual Reistration Law, passed by the 1937 session of the Kansas Legislature, provides that each osteopathic physician legally licensed to practice in the state of Kansas, shall, on or before the FIRST DAY OF JULY, of each year, pay to the Secretary of the Kansas State Board of Osteopathic Examination and Registration, a fee of five dollars (\$5.00) for the renewal of his license; and furnish satisfactory evidence of having completed the post-graduate requirements, as provided in the act.

Please use the enclosed yellow card in making your remittance. Make all checks payable to: KANSAS STATE BOARD OF OSTEOPATHIC EXAMINATION & REGISTRATION.

Sincerely,

Bob

Robert A. Steen, D.O.
Secretary

June 3, 1944.

Dear Jane and Hoot:

I imagine you thought when you received the second note regarding Ann Horton that Pappy had gone Goofy. Well, perhaps he had. But somewhere in the back of my mind, in the busy night riding that I have been doing after commencement dates, I was a little Phoggie regarding that first note that Mother took to you.

When I went to western Kansas (Hays) I was not able to get a pullman so sat up all night. Coming back the train was late, and after the Jeters had entertained me until about train time I caught a one o'clock train out of Hays (no pullman) and the chair cars were so congested with boys coming from Bougainville that it was not possible to put your grip any place but on the floor and you had to move it about every three minutes because there were over a hundred boys in the aisles and the seats were dripping with humanity.

I stood up until we got to Salina at four o'clock then the U. P. put on some more cars and I got a seat and dozed until we got into Lawrence at 6:55. Then of course the day's work was to do and the next night there was commencement or some speaking date, so I felt rather hazy regarding some of my correspondence that I did in long hand now and then. Of course I can keep track of the letters that I dictate here at the office, but for the personalizing of our loved ones we like to write notes in long hand, but I don't get much of that done.

I had a speaking engagement at Salina, Kansas, on June 6, but yesterday they called and cancelled it, and was I happy. I am practically through now with most of my speaking dates and feel a great relief. When Mother and Eleanor went with me to Slater, Missouri, we drove back that night and got in about 2:30. It has been that way on almost all of the automobile trips.

This is just a short note to let you know that I did recall the first note after I had mailed the second one. Hope you are all well and happy. And of course we must include Stormy because Mother tells me that he is one of the prize possessions of the Mons household. I also read your letter about the friend of yours that shot himself. I was so sorry to learn of the unhappy incident.

With love,

Affectionately,

TO ALL OSTEOPATHIC PHYSICIANS
STATE OF KANSAS.

June 1, 1944.

Dear Doctor;

To save paper and duplication of effort, this notice of dues in the KANSAS STATE OSTEOPATHIC ASSOCIATION being due is also enclosed.

DUES SCHEDULE:

1st year in practice----	\$5.00	2nd year-----	\$10.00
3rd year in practice---	\$15.00	THEREAFTER-----	\$30.00
(SUSTAINING MEMBERSHIP-----DOUBLE THE REGULAR DUES)			
(Special Card for Sustaining Members)			

Sustaining Members are those who want to do just a little more for the Association than pay regular dues. Do YOU want to help your Association in this manner?

The same Dues Schedule applies for NON-MEMBERS who make application for Membership. Write for APPLICATION BLANK!!

Robert A. Steen, D.O.
Executive Secretary--Emporia

June 1, 1944.

Dear Mary, Pete, Sonny, Joan and Libby:

We were awfully sorry to learn that Mary and the children could not come east this summer, but we know what travel restrictions are and we think you are wise perhaps under the conditions in not venturing away from home with D-Day not too far distant. Certainly when that day arrives, we are told, all civilian travel will cease for quite some time to allow our soldiers both wounded and convalescent, to use the rail.

While I always enjoy writing you, the main point of my writing at this time is to let you know that one of our senior graduates, Mrs. L. W. Noble, the wife of Ensign Loyd W. Noble, is moving to Palo Alto. Their address is 813 Melville Avenue, your city. Mrs. Noble's maiden was Elizabeth Bown, and she helped Mrs. Hulteen, my secretary, during her last three years in college.

I have asked Mrs. Noble to call you up, Mary, and I trust that you will be able to say hello to her. Ensign and Mrs. Noble were married the 4th of March while she was still in school, and she is not waiting for graduation which will take place June 29. I know that you will be happy to see them and I will appreciate any courtesies or kindness that you can show these young people.

Please rest assured that we will miss you all and we only wish that we could make up for the lack of your coming here by our going out there. But at the present time we are working on a twelve months schedule, so we will hope for better times in better years.

With love to you all, I am

Affectionately,

Director of Physical Education,
Varsity Basketball Coach.
