

WORLD STUDENT SERVICE FUND COMMITTEE

Dear *Dr. Allen,*

May we take this means of expressing to you our appreciation for the contribution of \$ 2<sup>00</sup> you made to the World Student Service Fund. The response of the faculty and students was most gratifying and through your efforts we were able to secure over \$500 to aid in the Prisoner's of War Relief and Chinese Students work for which this fund is responsible.

Sincerely yours,

*Thornton M. McClanahan*
