Dear Mr. Kingkade,

I was happy to get your letter as of Dec. 8, and undoubtedly we will be with you as usual. We play at Stillwater first and will come over later from there. You will here from me preliminary to our coming.

Yes, those Japs lived up to their reputation. I am looking for an American war-cry similar to that against the Mexicans years ago - "Remember the Alamo". There will be a war-cry for the annihilation of the Japs coming out of their infamy.

Sincerely,
