Dear Bill,

As chairman of the good will committee for the Masonic party next Tuesday night, Oct. 14 at the Community Building, I am asking you if you will kindly assist me in glad-handing our Masonic guests and visitors?

Will you please be at the Community Building by 8 o'clock so that we may meet the brothers and their wives with the welcome that is entirely Masonic in character?

Please do not disappoint me as we are counting on you individually to make this party a fine success. Thanking you I am

Fraternally,

FCA/pg

Chairman Good Will Committee
