

December 3, 1941.

Mr. C. D. Shannon,
President, Shannon & Shannon,
Mountain Grove, Missouri.

Dear Mr. Shannon:

I am enclosing the abstract for Lots 10 and 11
of Block 10 of the R. L. Hayes addition to the City of Cabool
for your inspection.

I am also enclosing a copy of Mr. Ira E. Atte-
berry's letter to me. I suggest that you figure the interest
due up to the time that your check is made, and mail the same
to me. I will then send you the notes which will liquidate
all indebtedness. I am sure your computation will be very
satisfactory with me.

It was a pleasure to have a visit with you last
Thursday on my trip through Mountain Grove. I trust that
your football team won, although I did not see the score of
the game.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Mr. Forrest C. Allen
Lawrence, Kansas

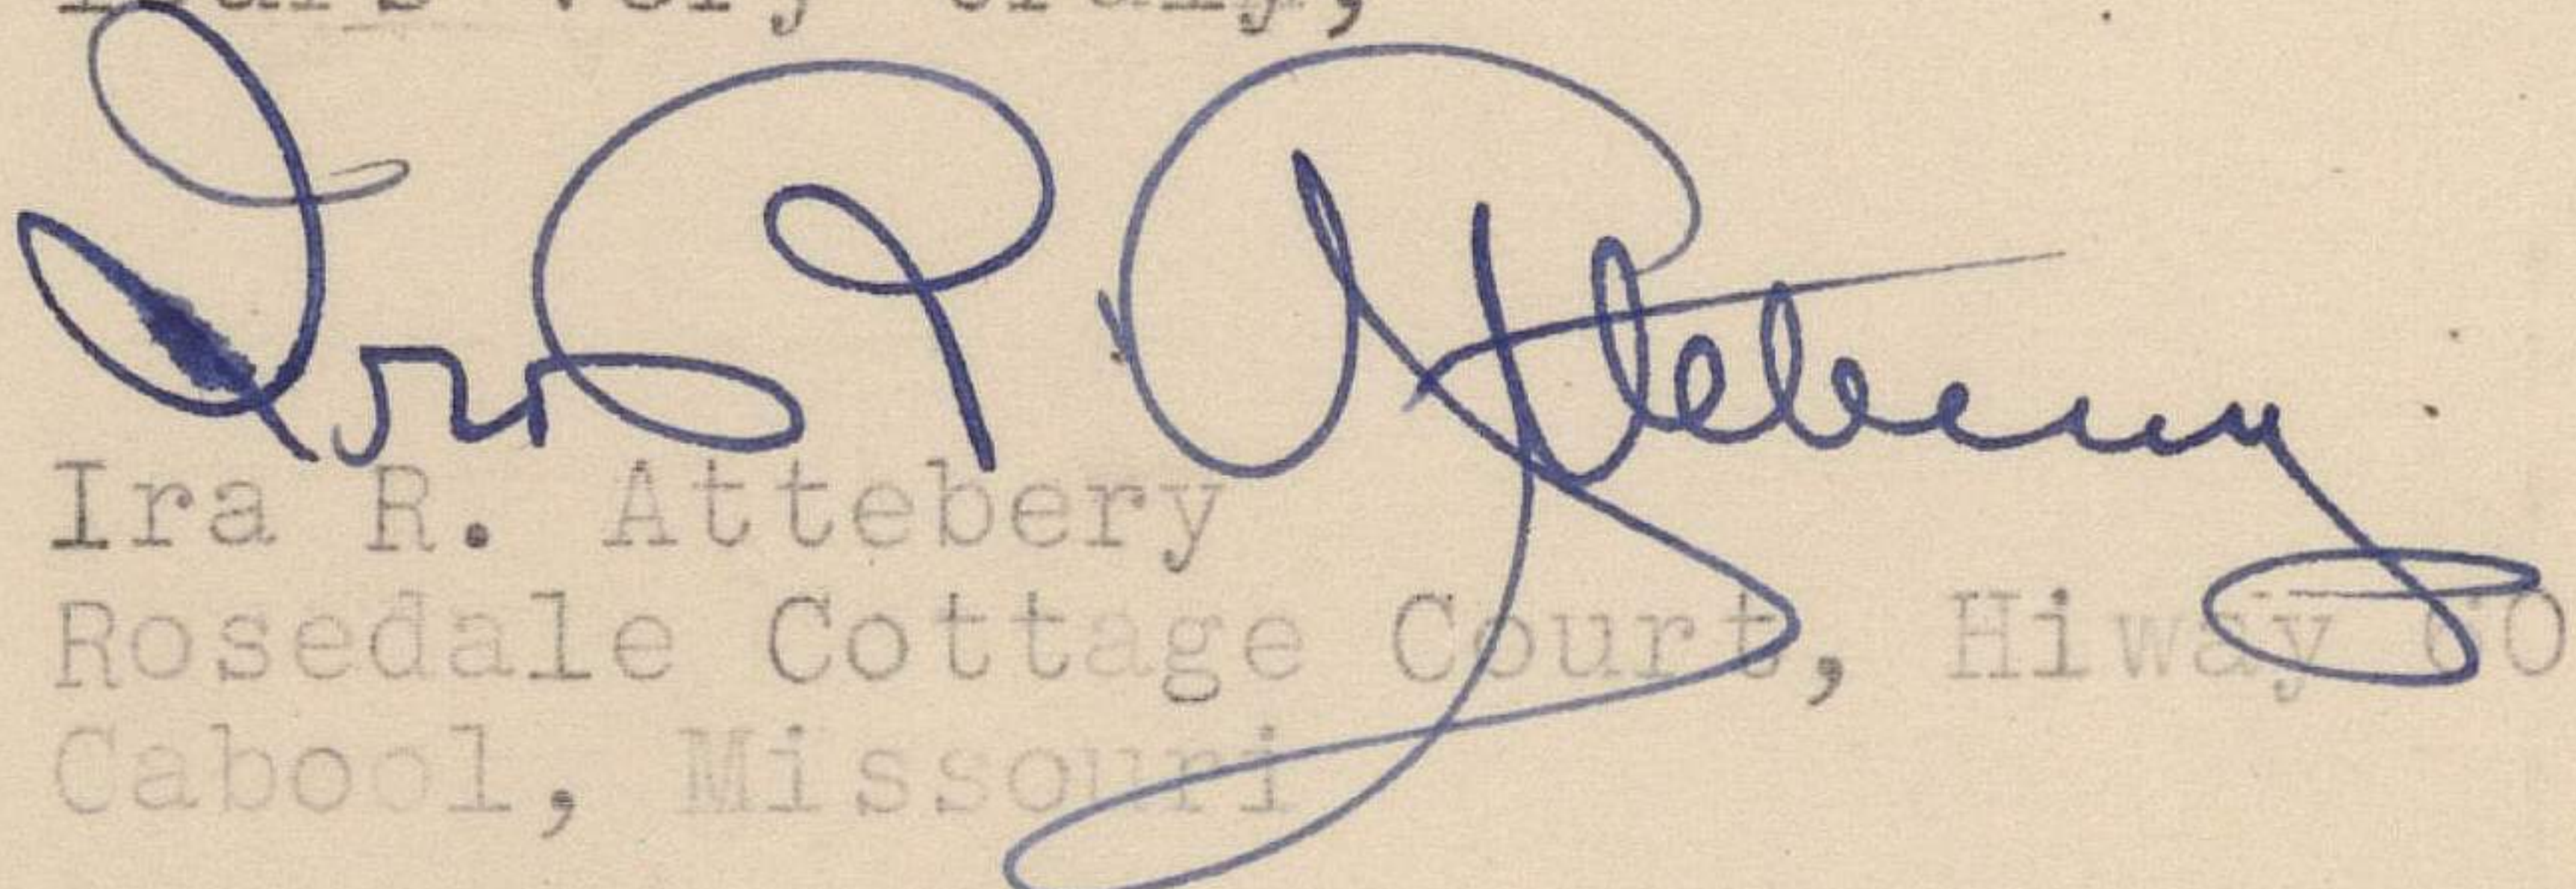

Dear Mr. Allen:

This acknowledging receipt of your letter received a few days ago.

I have today arranged for the money to pay your loan in full and will ask that you forward your Abstract to the Building and Loan Association in care of C. D. Shannon, President at Mountain Grove, Missouri. Mr. Shannon advises me that it will only be a few days from the time the Abstract is received and checked until your money will be ready for you.. Please notify Mr. Shannon how much the interest up to December 1 is. I figured the interest on the principal was \$44.57 and interest on the \$42.00, which was due you November 9 would be 26¢ up to December 1, which would make a total of \$744.83, which would pay the note in full.

Trusting that you will give this your prompt attention and mail the Abstract at once as we would like to get this paid off by December 1 if possible. Thanking you very kindly.

Yours very truly,

Ira R. Attebery

Mr. Ira R. Atteberry,
Cabool, Missouri.

Dear Mr. Atteberry:

I have an inquiry from the C. I. T. Corporation, of Springfield, Missouri, which states that an application has been received which indicates that I have credit relations with you.

I have not replied to this, but I am awaiting a check in payment for the note which is much past due. I trust that you will not delay longer in sending the remittance as I would like to give you the best rating possible.

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,

Mrs. Elizabeth K. Lindley
800 Louisiana
Lawrence, Kansas

Dear Mrs. Lindley,

On Monday, Oct. 6 at 6:30 p.m. there will be a Rotary Ann club meeting at the Eldridge Crystal Room. We will have an outstanding speaker, Mr. Konomis, the Greek consul who is a naturalized American. He will present things to the Rotary Club that will be revealing as far as the international situation is concerned.

It is a dinner party and strictly informal.

As you will remember this is the meeting that Mrs. Allen and I invited you to and we invited you to save that evening for us.

We will call for you a little after six o'clock.

Sincerely yours,

FCA/pg

Director of Physical Education and Recreation
Varsity Basketball Coach

My dear Dr. Allen,

I am looking forward
with pleasure to the Rotary Ann
club meeting, October the sixth.

You and Mrs. Allen are so kind
to invite me to it and I will be ready
any time after six.

I am sure the program will be
most interesting

Very sincerely
Elizabeth F. Lindley

Oct 2nd 1941

Parker Buick Co.
Lawrence, Kansas

Dear Sir,

I am enclosing my check for \$14.02 after having deducted \$2.20 from your bill for the items charged for checking for rattles and hose connections, plus tax.

It seems to me that on a new car this charge should not be necessary. The rattles are still there; the radio has been a constant source of trouble with rattles, and the clock has never run. The charge for a check on hose connections on a new car doesn't make me any too happy.

The car is burning too much oil, and I have always used Iso-vis in all my cars--and the 25¢ oil is good enough for me. In the future I would like to have Phillips bulk oil. I do not wish "canned" oil because I don't care to pay for the can.

It is always my desire to pay my bills promptly, and it doesn't make me happy to be always calling your bookkeeper to ask her to deduct items that should not appear on my bill.

Very sincerely yours,

FCA/pg

Director of Physical Education and Recreation
Varsity Basketball Coach

December 5, 1941

Mr. Tom Parker
Parker Buick Co.
Lawrence, Kansas

Dear Tom,

I stopped in your place of business intending to inquire about the clock which had not been returned. Of course I understand that these things are bound to be slow with the big pressure of national defense.

I talked to Warren about the bill and told him that I was not too pleased. I had Warren drive me on the Hill a week or so ago and I pointed out that I wanted the air vent loosened up. He tried it and it wouldn't work and all he said was, "I'll have George loosen that up for you."

He then asked me if I had the oil cartridge opened up and I said, "No", so he sold me on that item which I am happy about. I told him that my radio goes completely off when I turn the corner especially to the right. You know my grief about the radio. He said that you changed the entire radio from your car to mine. Well, this radio is no improvement whatsoever over my other one. It never has worked. So I got a bill for 50¢ labor on the radio which is not improved in the slightest, infact, I would not know that anything had been done on it. I was much surprised to read that they had put one radir vibrator on the car at \$5.95 without my authorization. My brothers at the Allen Motor Co. were in business about 20-25 years, and I learned that they never made any change on the car unless there was an authorization from the owner. This item was not discussed with me. Personally, I do not like these things at all and since the radio is unchanged in efficiency I cannot see how there has been any benefit in the least. In fact, I do not believe this was the case, because it has not been improved.

I stopped in to tell Warren that on things that I have asked to be done on the car, none of them have received the attention that made the efficiency improved whatsoever.

I am asking that before any expenditures are made on my car that contact be made with me. It is an easy matter to get me here at KU 83.

I am sending you a check for \$5.92 to cover some of the items of oil, alemite, etc.

I will drive my car in so that these various matters may be straightened out and also that I may be able to compensate you for a justifiable service.

Sincerely,

FCA/pg

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

December 4, 1941.

Colonel J. S. Dusenberry,
Department of Military Science,
University of Kansas.

Dear Colonel Dusenberry:

I am replying informally to your very kind invitation to Mrs. Allen and me to attend the Military Ball on Friday evening.

Mrs. Allen is in the east at present visiting our children, and will return some time next week.

It happens that Mrs. Allen, Mrs. Lindley and Mrs. O'Leary belong to Friends in Council, a literary organization, and I have been asked by Mrs. Allen to take Mrs. Lindley and Mrs. O'Leary to the anniversary dinner of this club which will be held Friday evening in the Old English Room. We hope that the dinner will be over in time so that we may avail ourselves of your invitation.

Thank you very much.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Mr. Milton Allen,
831 Louisiana St.,
Lawrence, Kansas.

Dear Milton:

Beginning this week the girls will use the
gymnasium for intramurals on Tuesday and Thursday.

On Tuesday evenings the floor is to be cleared
at 9 o'clock of all freshman players, and on Thursday
at 8:45. There will be no exception to this, so plan
to organize your work in order to be off the floor at
the designated time.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

November 22, 1941

Miss Eleanor Allen
Sergeant Hall
University of Pennsylvania
Philadelphia, Pa.

Dear Eleanor,

I just wanted you to know that we found the key to the Buick.
It was in my upper right-hand drawer under a paper.

Mother located it when she cleaned out the chiffonier, so do not
bother to reply on that.

The tickets came this morning for the Army-Navy game, and I have
given them to Mother so you are certain of viewing that great
spectacle. I wish that I might be with you, but my schedule here
will not permit it. Mother is leaving Lawrence on Sunday p.m. ,
but I am very sure that you have all that information, so since
I am very much on the run I will stop short. Here's hoping that
you and Bob have a great time with Mother. I know you will.

With love I am

Affectionately,

Your Dad

November 22, 1941

Mr. Bob Allen
Room 44
Morris Hall
University of Pennsylvania
Philadelphia, Pa.

Dear Bobby,

The tickets to the Army-Navy game come this morning and I have turned them over to Mother. There are four of them so if any one wants one you can sell it for \$4.40 - the cost of the ducat. I would like to give it to you for one of your friends, but we are not that free with money matters since the tax schedule will be greatly extended this next year. I will not send them on to you because Mother will get there before the game. You can rest assured she has it, so if you promise anyone the ticket, the promise will be made good.

I asked Roland Logan to send the tickets to you, but like all things of this nature, slip-ups occur.

I regret that I will not be able to be with you, but I know that you and Eleanor will have a great visit with Mother. This is a pretty full schedule today so I will desist and hope that you are well and that things are coming along nicely with you.

With all good wishes I am

Affectionately,

Your Dad

November 20, 1941

Mr. Walter Cassida
1230 Oread Ave.
Lawrence, Kansas

Dear Walter,

Thank you for your post card dated Nov. 17. I appreciate your thoughtfulness in sending it.

I did not feel any personal insult Monday morning. I realized that the students desired a holiday and while I understood their feelings about this matter, I felt that I would not have been true to myself if I had not expressed my view of the situation at that time.

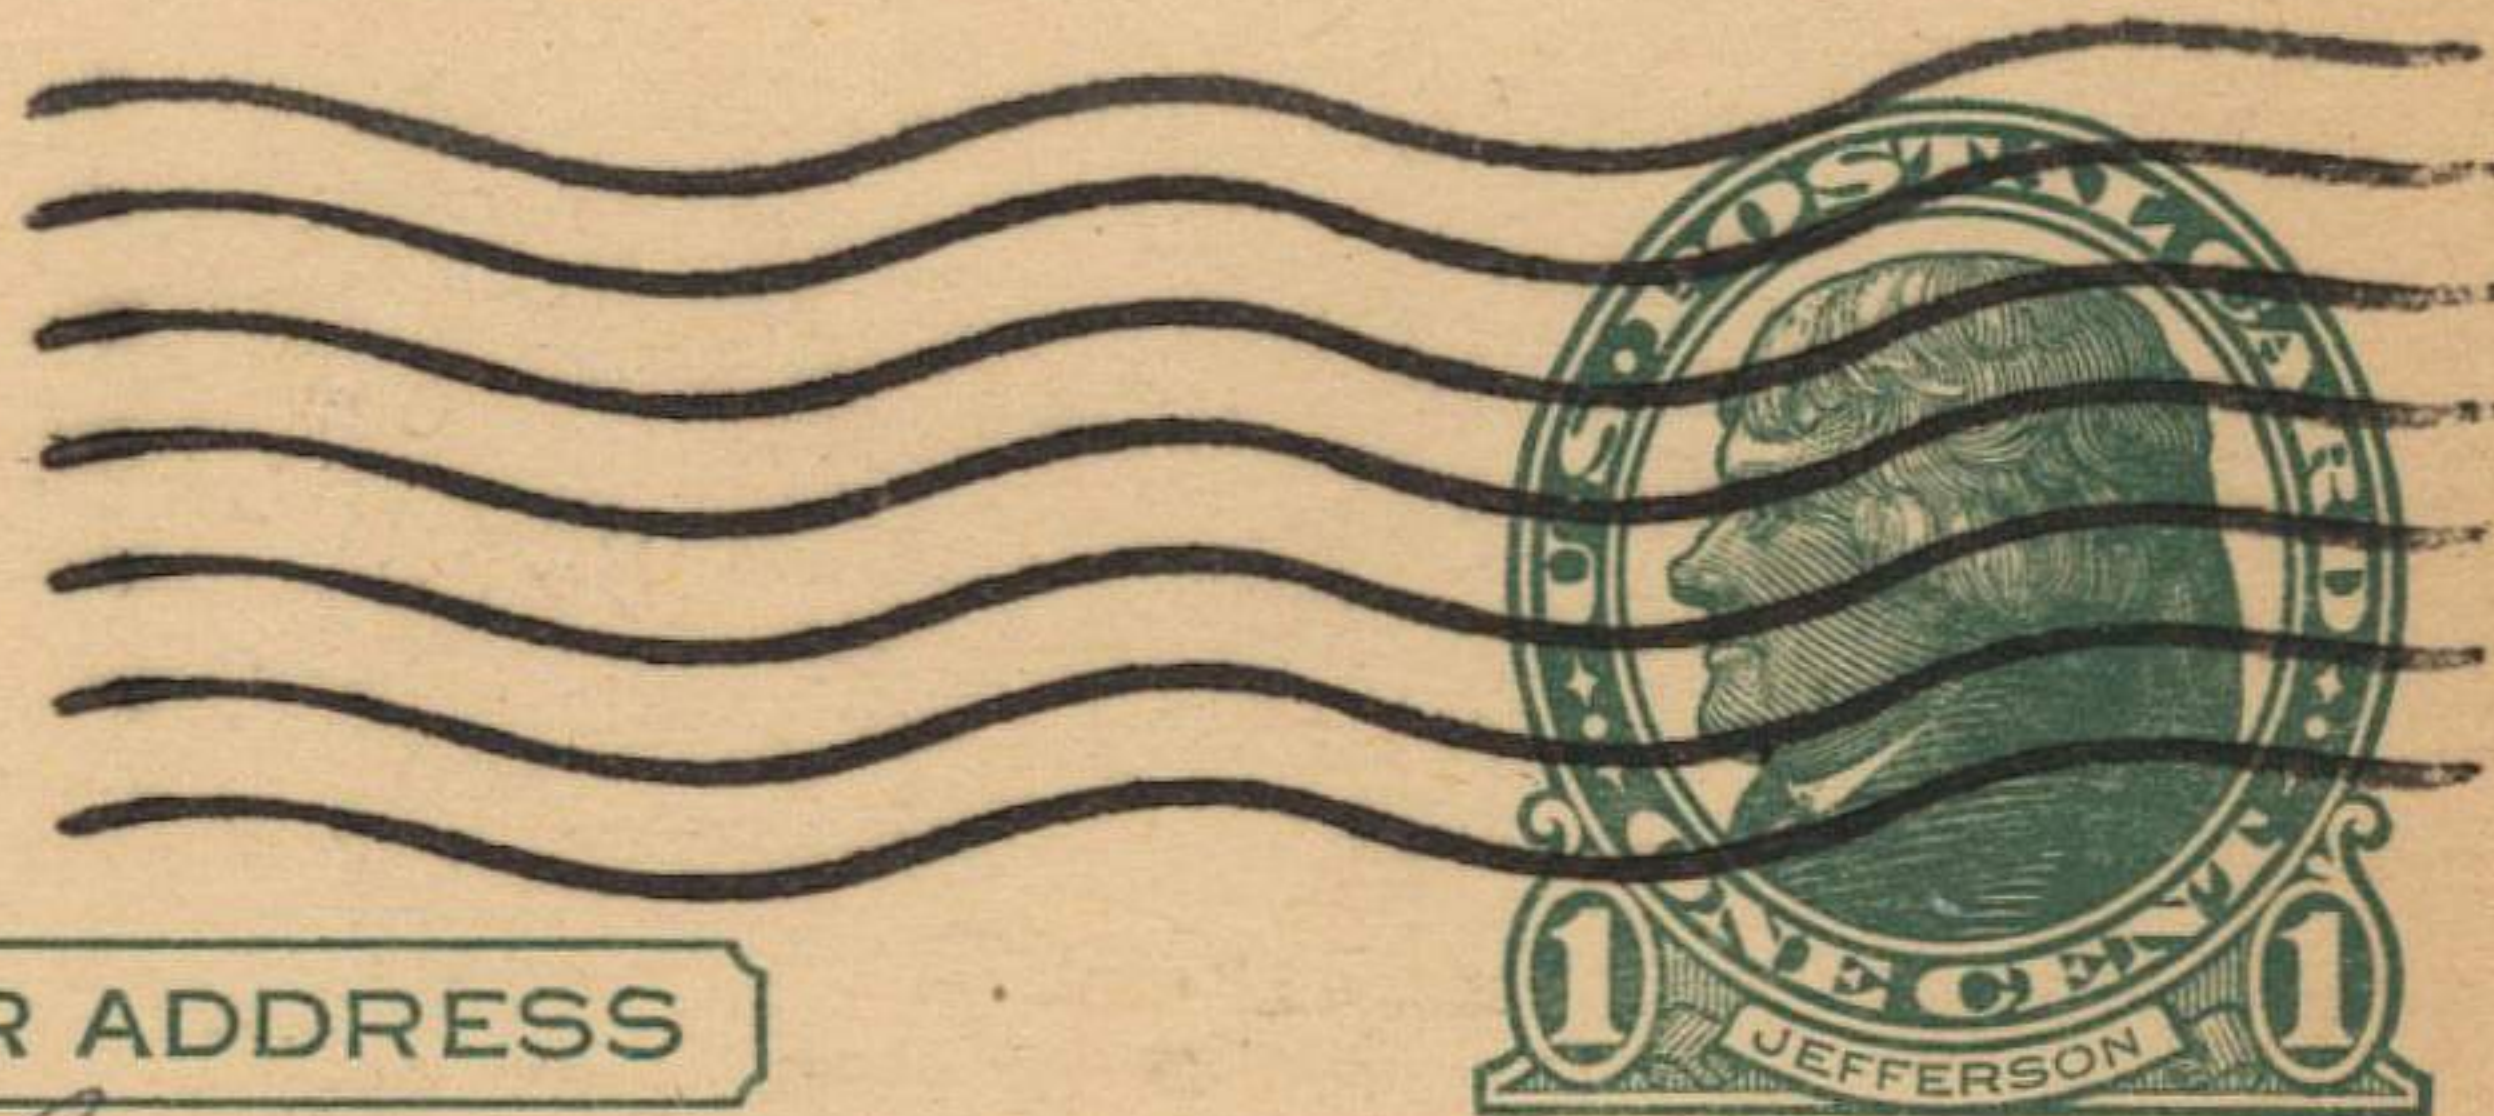

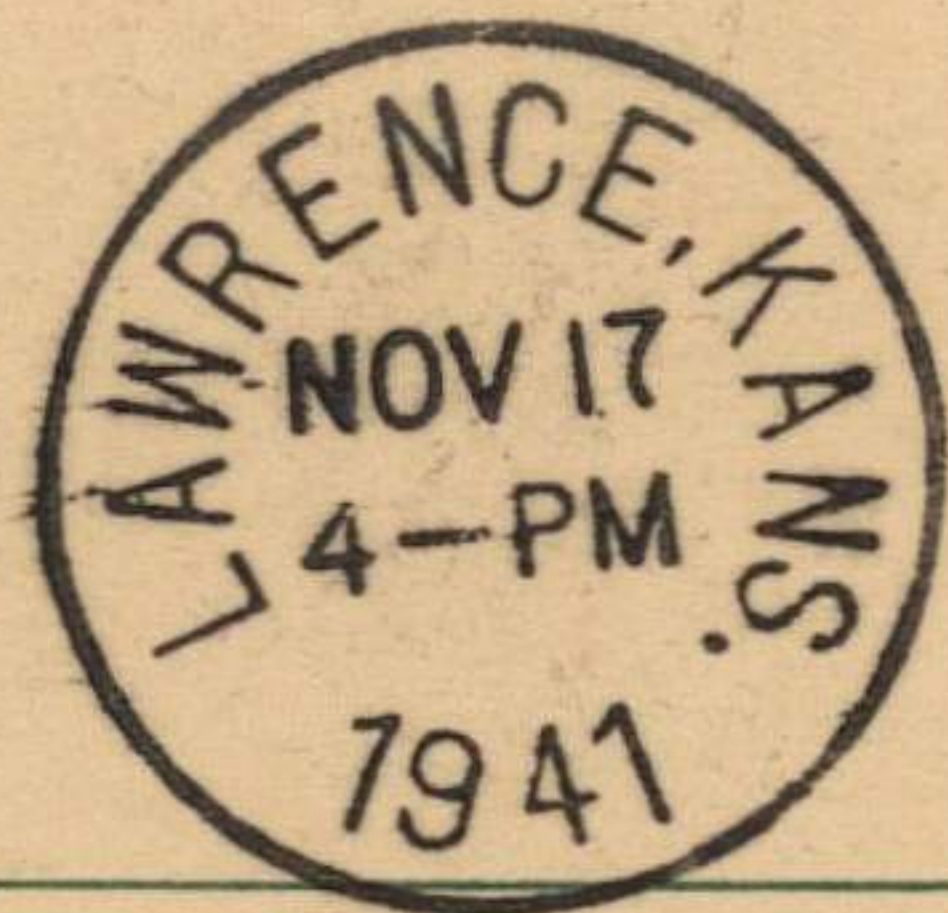

I am strong for the students at the University of Kansas and as far as I am concerned they are ace-high with me now and ever. I was disappointed in their lack of respect for the Chancellor. Any little discourtesy that they might have shown to me made no difference. I feel sure that the students would have used their better judgement and would not have behaved as they did if they had been more adequately informed of the true import of sit-down strikes.

Thank you for writing me, Walter. I do appreciate very much your expression of friendship.

Sincerely yours,

FCA/PG

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

November 19, 1941

Miss Eleanor Allen
Sergeant Hall
University of Pennsylvania
Philadelphia, Pa.

Dear Eleanor,

I have been trying to locate my second Buick key. You will recall that I gave you one key and I took the other. I am not clear in my mind whether I put the little leather keeper on my key or on yours. Do you recall where you put the key I gave you?

Please understand I am not blaming you for the non-location of the second key. I have one in my possession, but should I lose this one I would want to know where the second one is.

I would appreciate it very much if you would write me right away and let me know your angle of this key situation. If you do not have it put away, I will order another one to be kept in reserve.

I am hurrying now to run out to Minneapolis, Kansas to a football banquet given by the Lions Club this evening so I will make this short and snappy.

Mother is planning to leave Sunday for Chicago and I am sure that you and Bob will have a great visit with her when she comes on to Philadelphia.

My love and best wishes

Affectionately,

Your Dad

November 19, 1941

Mr. E. C. Buehler
K.U. Red Cross Chairman
Green Hall
Campus

Dear Professor Buehler,

I am enclosing my personal check for \$1.00, my contribution to the American Red Cross.

I regret that I cannot give more to this worthy organization, but there have been so many drives recently to which I have contributed that I feel that this amount is all that I can give at this time.

Sincerely yours,

FCA/PE

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

enough

November 10, 1941.

Dear Prof. Allen:

The annual RED CROSS ROLL CALL is on. In the midst of numerous drives for worthy causes, the call goes out for the RED CROSS, which is perhaps the world's greatest organization for the mobilization of human service for emergency needs. The RED CROSS does not recognize the boundaries of race, creed, or nation. It is always ready to give aid to all types of human disaster where and when it occurs.

The local RED CROSS chapter has again given the University of Kansas permission to carry out its own drive in whatever manner is most convenient to us. The last two years the K. U. RED CROSS DRIVE was successfully conducted without the usual nuisance of door-to-door canvassing. The whole-hearted cooperation of the University faculty and employees made this possible. For this reason, we are using the "honor system" type of drive again.

The plan is very simple. Each faculty member and University employee is asked to do his part by direct response through the campus mails. There will be no personal canvass or call on you. You are asked to write your own ticket. Here's your RED CROSS button, sticker, and membership card, together with a self-addressed envelope and a blank check. Send money or check payable to the Douglas County Red Cross. Fill in the specified amount on the enclosed membership card and keep the card as your receipt. A complete record of all contributions and the names and amounts will be made for the files of the local chapter.

We wish to point out again that the RED CROSS has no connection with the recent Community Chest Drive or any of the current British war relief organizations. This drive is purely for charity purposes. Most of the money for the RED CROSS stays here at home, to be used by the local chapter. In contributions of one dollar, half goes to the local chapter, the other half to the national organization. But all above one dollar goes entirely for local use. Contributions for less than one dollar, without membership privileges, will go to the local chapter.

The days from November 11 to 18 have been set aside for the K. U. Drive. Do your part now. We ask your cooperation.

Sincerely yours,

K. U. RED CROSS COMMITTEE

E. C. Buehler
E. C. Buehler, Chairman

Bert A. Nash

Elizabeth Meguiar

Henry Werner

ECB/mm

P.S. If you are unable to join the RED CROSS, please return your supplies. Post-dated checks acceptable.

November 18, 1941

Mr. Don R. Meriwether
1230 Oread
Lawrence, Kansas

Dear Don,

It was certainly sporting of you to sit down and write me as you did. Frankly, I did not take it as an insult yesterday morning. There are always a few people in a crowd that you can expect unsportsmanlike conduct from, but by and large the students were wonderful in my opinion. Of course they wanted a holiday and they were set upon it. But I would not have been true to my feelings nor my convictions had I not expressed to them my sincerest feelings in that rather critical hour. Had these students been informed of the true import of sit-down strikes I am sure that they would have used their better judgement against the desire for a celebration. I was embarrassed and concerned by the lack of courtesy shown to Chancellor Malott, and what little amount of discourtesy that might have been shown me was passed over lightly I assure you.

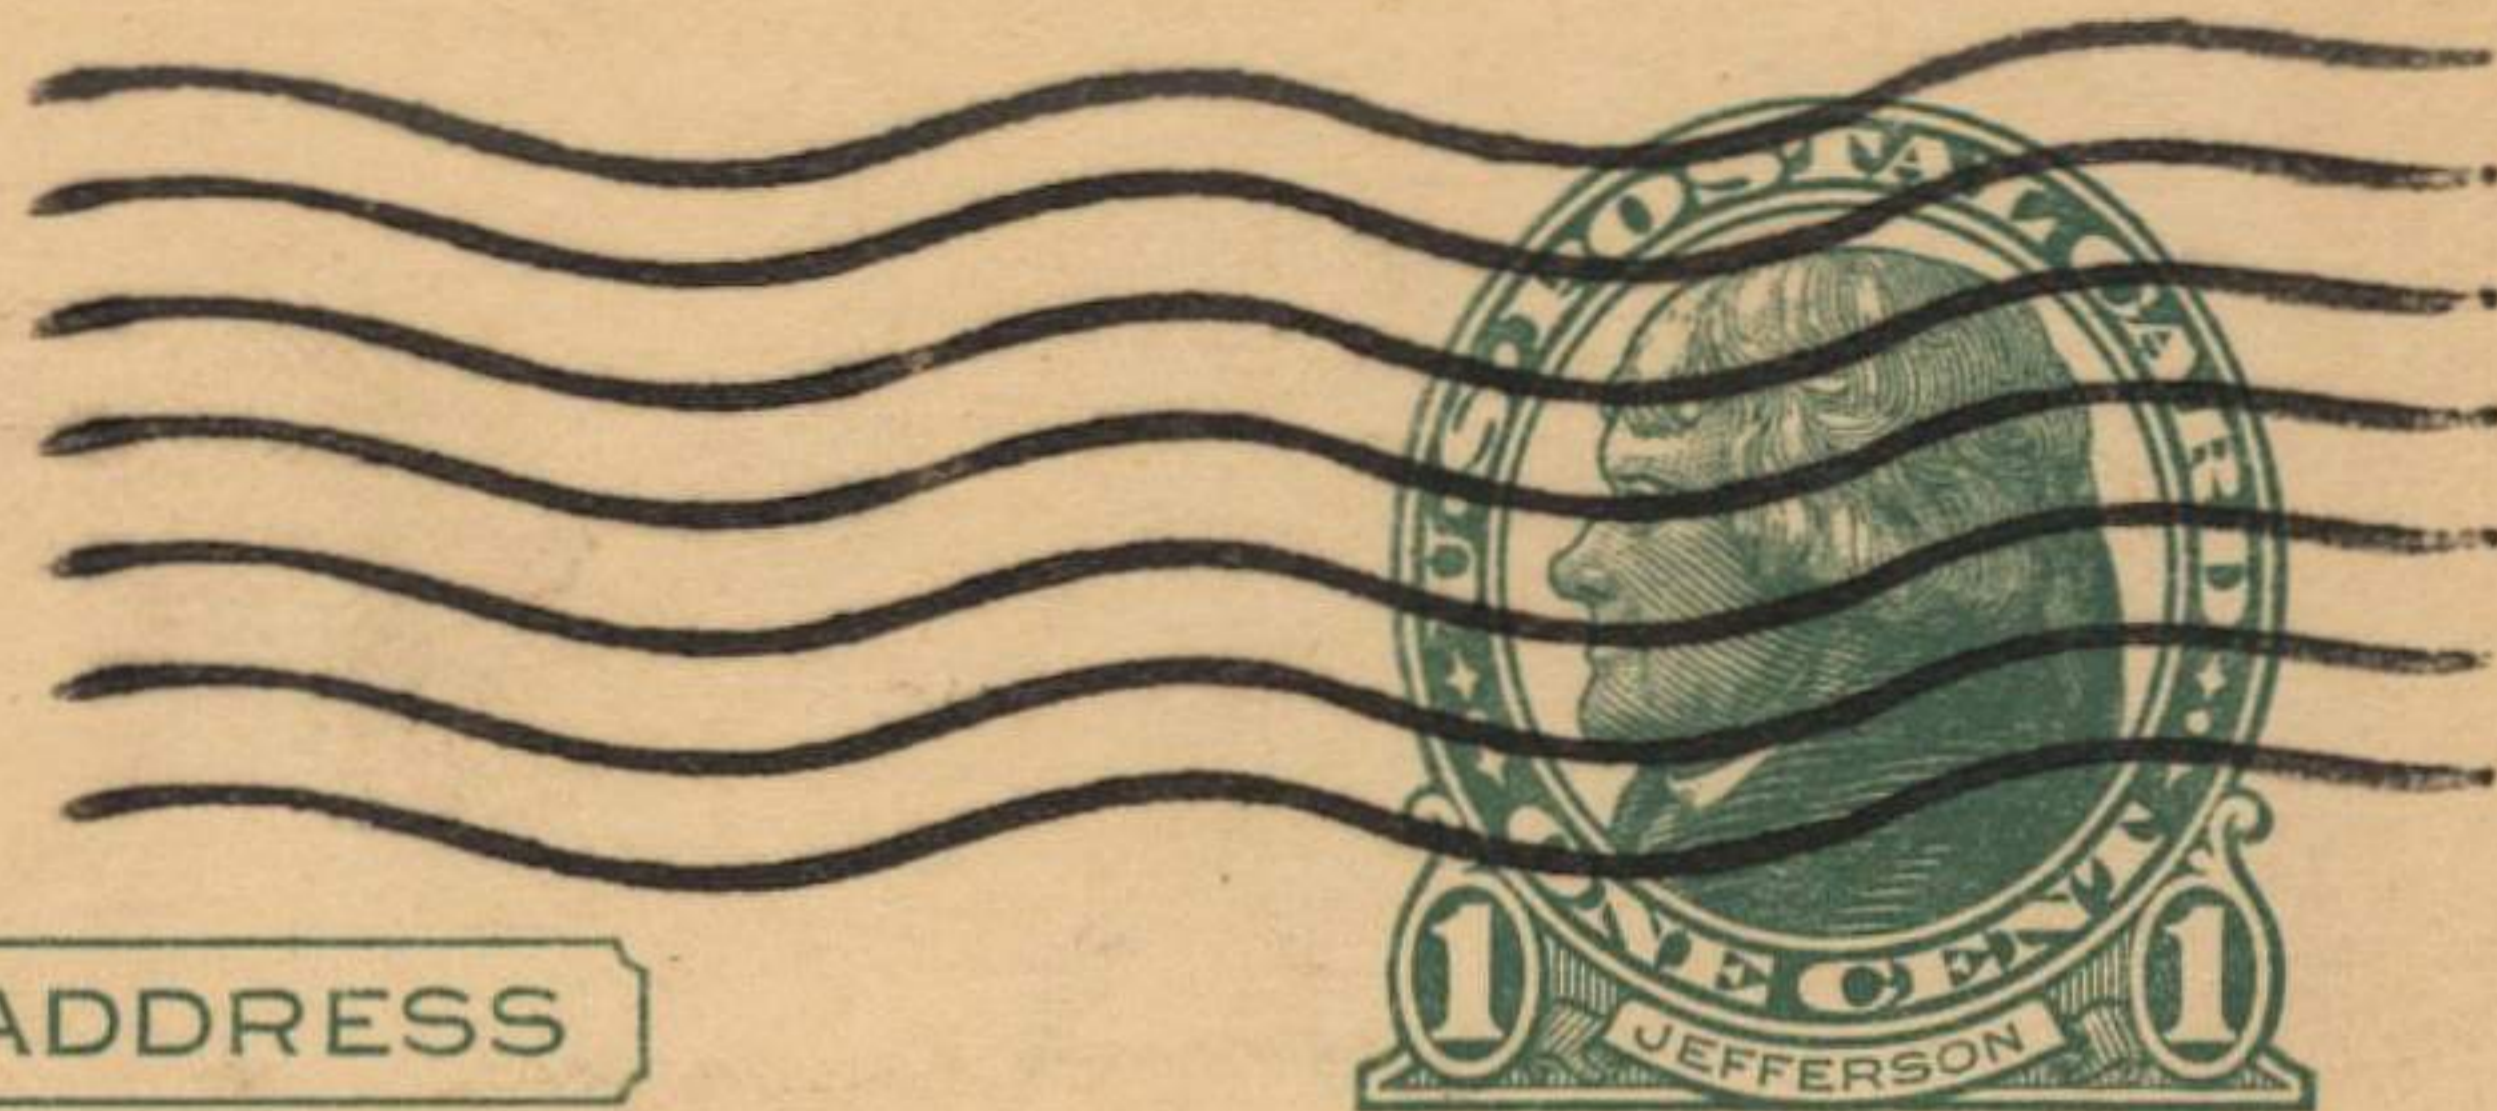

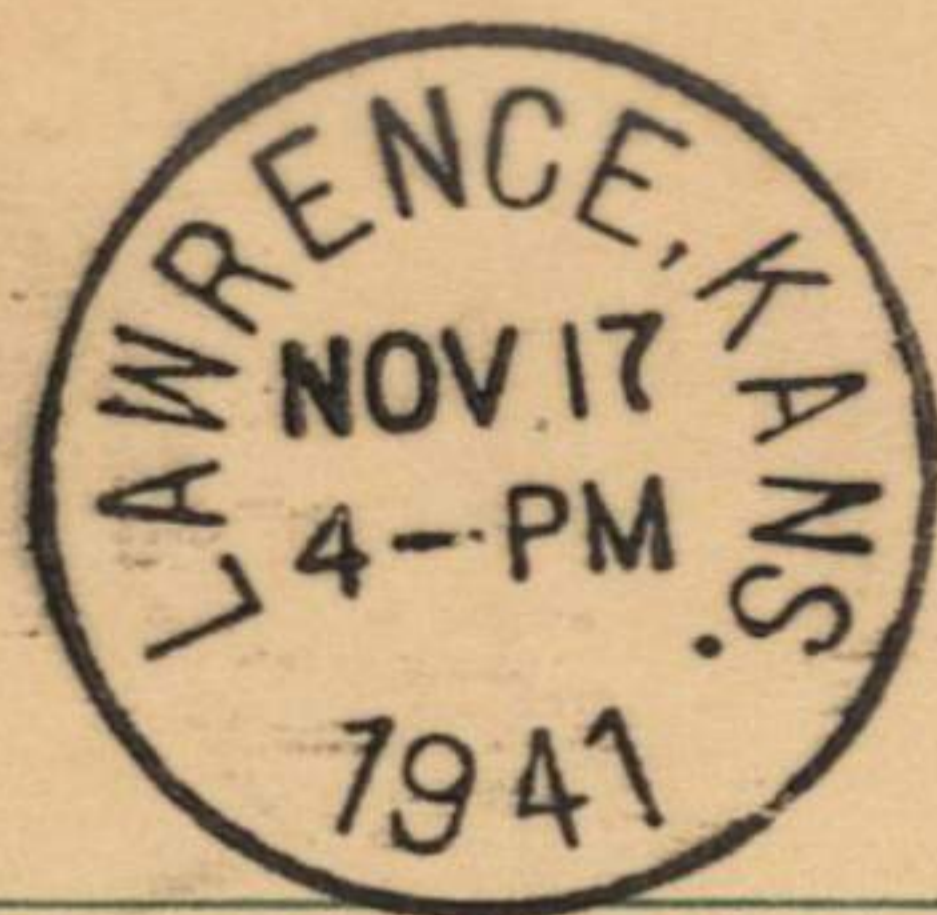

I still agree that the students of the University of Kansas make up one of the finest groups that has been my pleasure to know in my long years of association with students. They are tops with me.

Assuring you that I appreciate your consideration and your friendship in writing me and hoping that we can go out and whip Missouri Saturday I am

Sincerely yours,

FCA/pg

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
