

July 8, 1942.

Mr. Stan Schwahn, President,
Commonwealth Lawrence Theatre Corp.,
Lawrence, Kansas.

Dear Stan:

I am happy to acknowledge your two communications
of June 30, 1942.

In the near future I will deliver our certificates
of preferred stock to you so that the proper liquidating
machinery can be put in operation.

In regard to the second letter, I congratulate you
in following Mr. Hitler's invention for increasing the popu-
lation. I think your idea of increasing the pass charge from
5¢ to 10¢ to take care of the blessed events is a unique in-
novation. I would suggest that you give them 50% of the
budget derived from the candy concession sales for twins,
increase the pass charges to 15¢ for triplets, 20¢ for quad-
ruplets, and 25¢ for quintuplets. This ought to be something!

Sincerely yours,
