

February 28, 1942.

Messrs. Owen and C. C. Carl,
Lawrence, Kansas.

Dear Owen and C. C.:

The boys and I are sincerely grateful for your wire sent to us at Oklahoma City. And the spirit which prompted your sending us your good wishes means much to us.

The Kansas basketball team played a hard, clean game, and I am very proud of them.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
