

A  
May 10, 1953.

Dear Jane and Hoot:

The Mother's Day remembrance was lovely. You two are always thinking of the right thing at the right time.

I am sending you this basketball notation because the Elwood Mens are mentioned therein. And too, there are a lot of the boys that you people will know.

Our love to you both.

Affectionately,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
