Dean and Mrs. Paul B. Lawson,  
University of Kansas.

Dear Dean and Mrs. Lawson:

The basketball team and I are wish to thank you most sincerely for your wire which reached us just prior to our game with the Sooners. The motive which prompted your sending it is deeply appreciated.

The boys played a hard, clean game, and no one can say that they didn't do their best. The Oklahomans just over-shot us.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
