1407 Louisiana St.,
Lawrence, Kansas.

Dear Friends:

Your expression of loyalty to the K. U. basketball team is sincerely appreciated by them and by myself. And we doubly appreciate the spirit which prompted your sending the message of good wishes to us at Norman.

The boys played a wonderful game, and I am very proud of them. But the Sooners were too hot for us.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
