Dear Dr. Allen:

At a regular meeting of Kappa Chapter of the Phi Delta Kappa Fraternity you were elected to candidacy for membership.

Phi Delta Kappa is a fraternity composed of men doing advanced or graduate work in education or expecting to make education their profession. Election to membership is from men doing superior work.

The purpose of this Fraternity is two-fold: first, to afford mutual aid and inspiration to men in this work, and second, to promote the social life of its members. One of the members of the Fraternity has probably already informed you of your election, but if not, will do so within a few days.

Will you kindly notify me at 119 Fraser Hall if you accept this invitation to candidacy to membership? In case of an affirmative answer, you will be notified of the time and place of the initiation. The secretary will also inform you of any special preparation required for the initiation. The fee, exclusive of jewelry, is \$12.50, payable at the time of initiation.

Sincerely yours,

*Russell Mosser*

Secretary
