Dear Sir-

Enclosed are two copies of my column TEMPLE OF Fame which appeared in the Hartford ( Conn. ) Times on Dr. Allen's birthday. Would you kindly give one to him with my congratulations and best wishes for many more happy years.

I want to thank you very much for your co-operation and the mat of Dr. Allen. I hope to be able to give Kansas U. more publicity from time to time and if you have the birthdays of any Kansas athletes who have won national fame I will be glad to place them in my record book for future use.

Sincerely yours,
