Dear Bobby:

Since you have eaten your potatoes and spinach and beans, and you drink your milk and go to bed when your mother tells you to, Santa Claus wants you to know that he rewards good little boys who obey their parents and who grow strong to become big men. He is sending you some tickets so that you can go to the movies to see Santa Claus, the reindeer and the Christmas trees, and all the little furny folks who make good children laugh.

With best wishes for a Merry Christmas and a Happy New Year, I am

Sincerely yours,

Director of Physical Education and Recreation, Varsity Basketball Coach.

Bobby Hulteen, 1805 Learnard Ave., Lawrence, Kansas. Dear Shirley Hon:

I knew you were out of town at Christmas time, so I have been waiting until you return before sending this little remembrance. I hope that you will enjoy some of the shows.

Trusting that you have had a very merry Christmas, and with best wishes, I am

Sincerely yours,

FCASAH

SECRETARY-REGISTRAR

MASONIC TEMPLE

LAWRENCE, KANSAS

My Dear Brother:

Lord Nelson, upon the eve of the Battle of Trafalgar, broadcast to the members of the English Navy, "England expects every man to do his duty." Lawrence Consistory makes this same appeal to you now.

Beginning Tuesday morning at 10:00 o'clock, we expect to have the outstanding Reunion of our history. Consistories from Joplin, St. Joseph, Kansas City, Wichita, Fort Scott, Leavenworth and Topeka are sending their best to exemplify degrees, some of which we do not confer here, and you probably have never seen them conferred.

This puts each one of us right "on the spot." For the honor of our beloved Consistory, and for the reputation of historic Lawrence as a fit Consistory town, we must demonstrate and deliver. If Masonry means any one outstanding thing, it is FRATERNITY. We want you to be at each and every meeting; introduce yourselves to each one of the visitors; give our own brothers the hand of fellowship and let the keynote of our Reunion be "Cordiality and Goodfellowship."

If you have no part in the degrees, your presence will cheer and inspire the workers and impress our visitors. If you are a worker--have your part well memorized and be on time for your work.

I should like to speak to you and give you this message, but it is, of course, impossible. I want you to take this as a personal appeal, on behalf of our Order. Come to every meeting that you possibly can and stay as long as you can. It will pay you personally, it will boost our Consistory, and it will extend the reputation of Lawrence as a town with a cordial welcome and where friendship and brotherliness are the outstanding characteristics.

Sincerely and fraternally yours,

FRANK M. HOLLIDAY, Asst. Director of Work.

Mr.Forrest C.Allen,

Lawrence, Kans;

Dear Sir:

Inclosed you will find my ck for \$6.70 in payment of rent from Aug, 13th to Sept 13th 1939. As you will see I had to have some work done on the well Pump. as the Valve and Couplin was worn out,

Now as to having the place fixed up, of course we will have to keep it in repair so as to keep it rented, But I hardly know whether it would pay or not, If you should fix it so as to get more rent, you would have to put in Bath, and kitchen fixtures, some papering, and the year would have to be filled in and leveled up some, so it would cost a lot to fix it up, and rents seems to be comming down some, as there has been several Dwellings gone up this summer, and they have been built br people that has been renting, So I hardly know just what to advise you. The party that has it rented now I do not think he will keep it long, as he wants t to get out on a farm, But he is a good renter as long as he will stay. So this is all for this time.

Dear Mr. Allen:

I greatly appreciate your letter of August 12th. It was very kind of you to take the time to explain the impression which Mr. Baum and Mr. Hague made in their interview with you.

I approve your attitude toward the interview, and I agree that if any one is to take my time away from any other pressing engagement he should have something well worth while for my attention.

The approaching maturity of your policy No. 341015 is having our attention, and we will be ready to send you a check on or about the day of its maturity. The amount will be, according to our advices, \$1006.77.

Yours very truly,
