Mr. Forrest C. Allen,  
Department of Physical Education & Recreation,  
University of Kansas,  
Lawrence, Kansas.

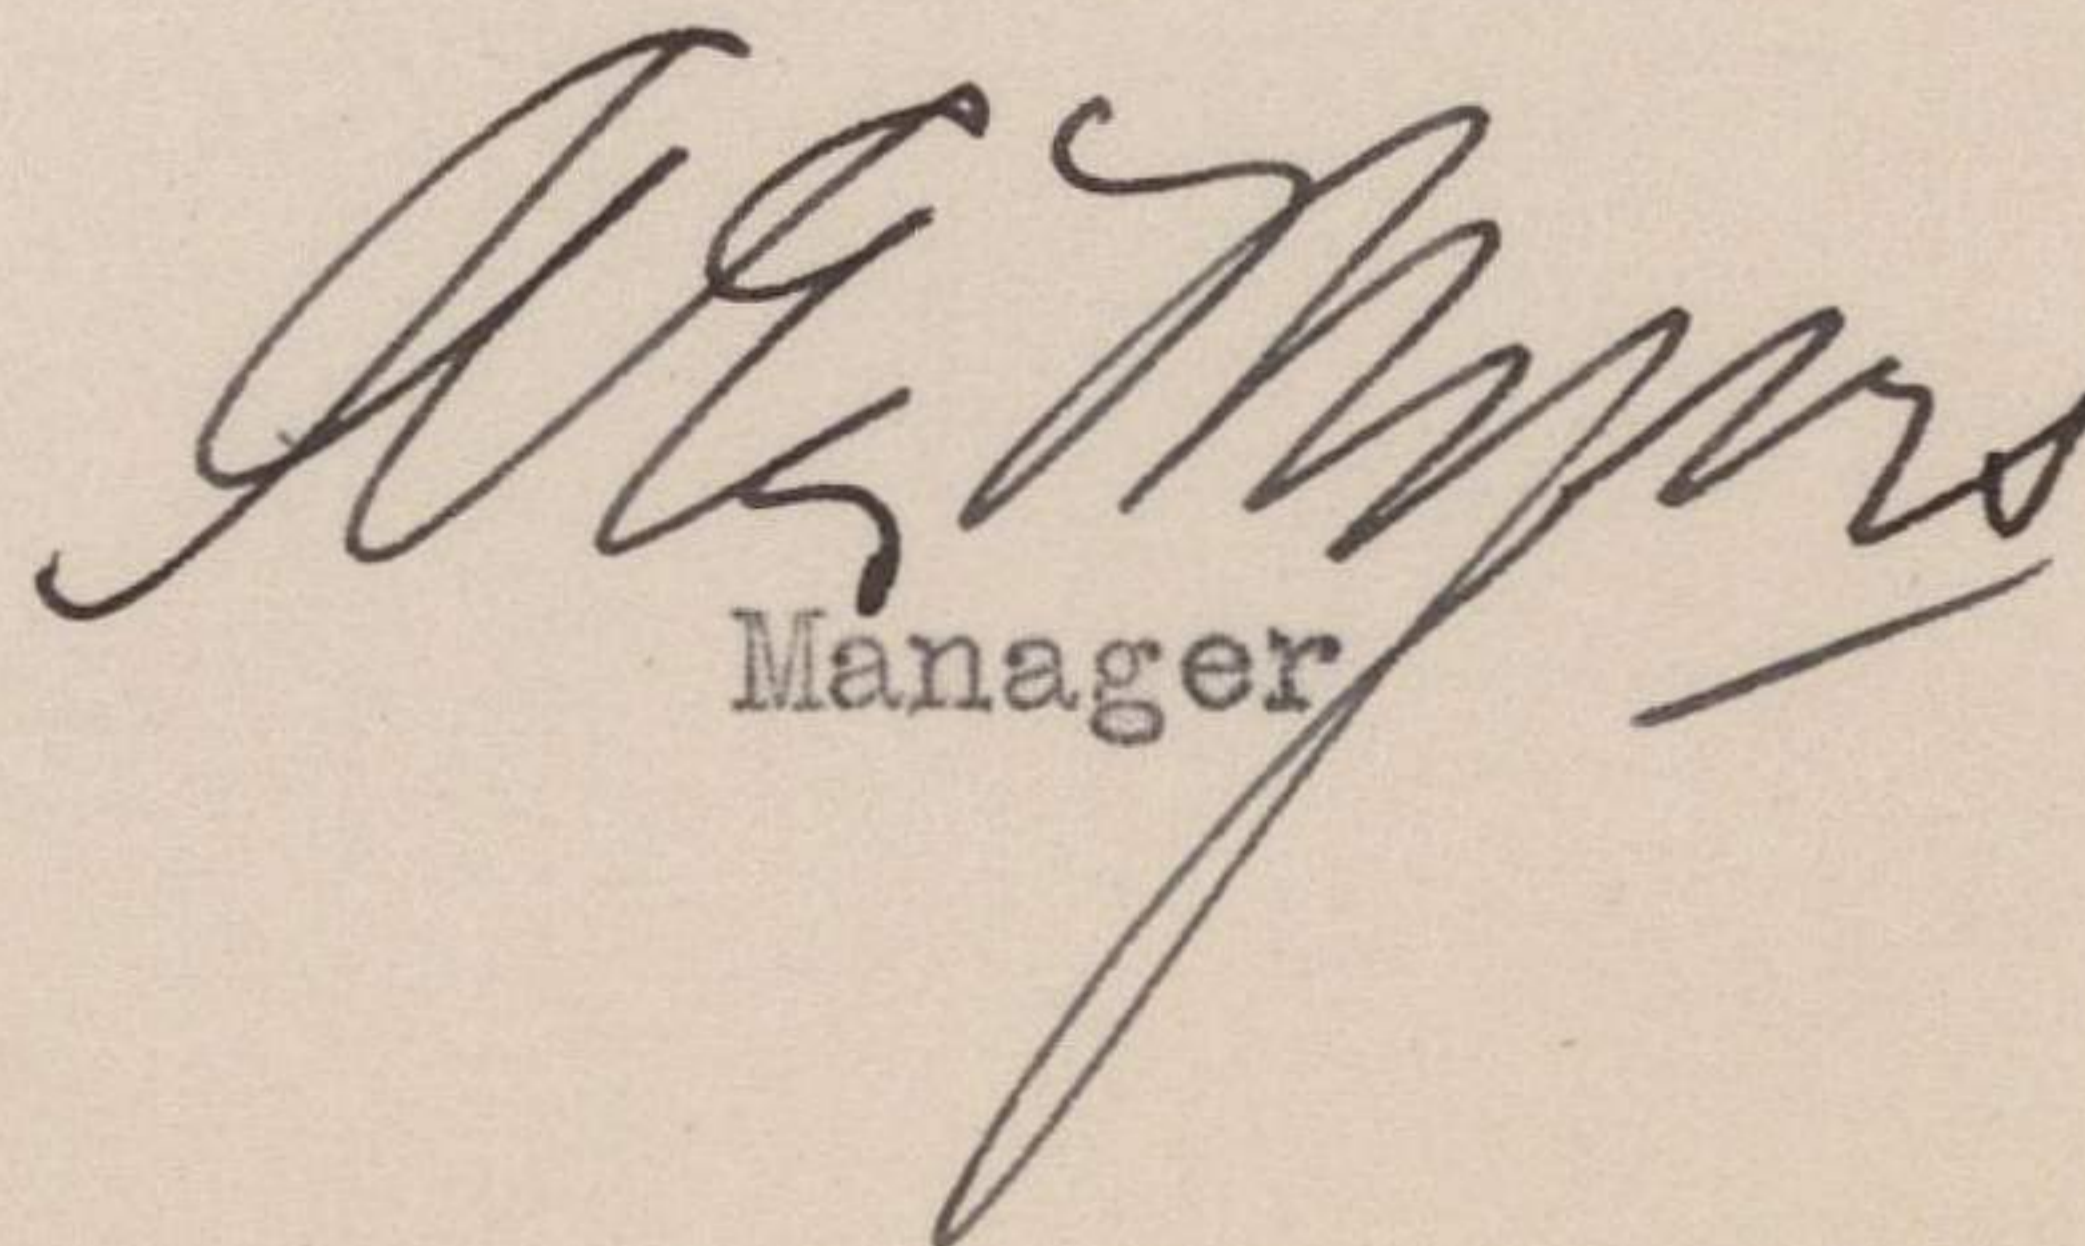

Dear Mr. Allen:

I greatly appreciate your letter of August 12th. It was very kind of you to take the time to explain the impression which Mr. Baum and Mr. Hague made in their interview with you.

I approve your attitude toward the interview, and I agree that if any one is to take my time away from any other pressing engagement he should have something well worth while for my attention.

The approaching maturity of your policy No. 341015 is having our attention, and we will be ready to send you a check on or about the day of its maturity. The amount will be, according to our advices, \$1006.77.

Yours very truly,

  
Manager
