Lawrence, Kansas.

Dear Friends:

Your message of good wishes which reached us at Oklahoma City yesterday is greatly appreciated by the Kansas basketball team and myself. And we are doubly appreciative of the spirit which prompted this expression of loyalty.

The Sooners were too hot for us - they simply over-shot our boys. But I am very proud of the wonderful game that the Kansas team played.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
