Dear Sir: Well our man went  
back on his offer for your place and  
went to Houston & bought. I have  
another on the string if he can  
finance it he will buy will  
know in a few days. The property is  
vacant now & has been since the  
1st of the month. I have rewritten your  
Insurance for another year the premium  
is \$6<sup>00</sup> and I had the porch re-roofed it  
cost for material and labor \$283 making  
you owe me \$8<sup>83</sup> if this young man  
can get a Building and Loan on the  
place he will buy it otherwise he can't  
so will let you know as I proceed

Sincerely yours
