

Cabool, Mo, March.29th 1940.

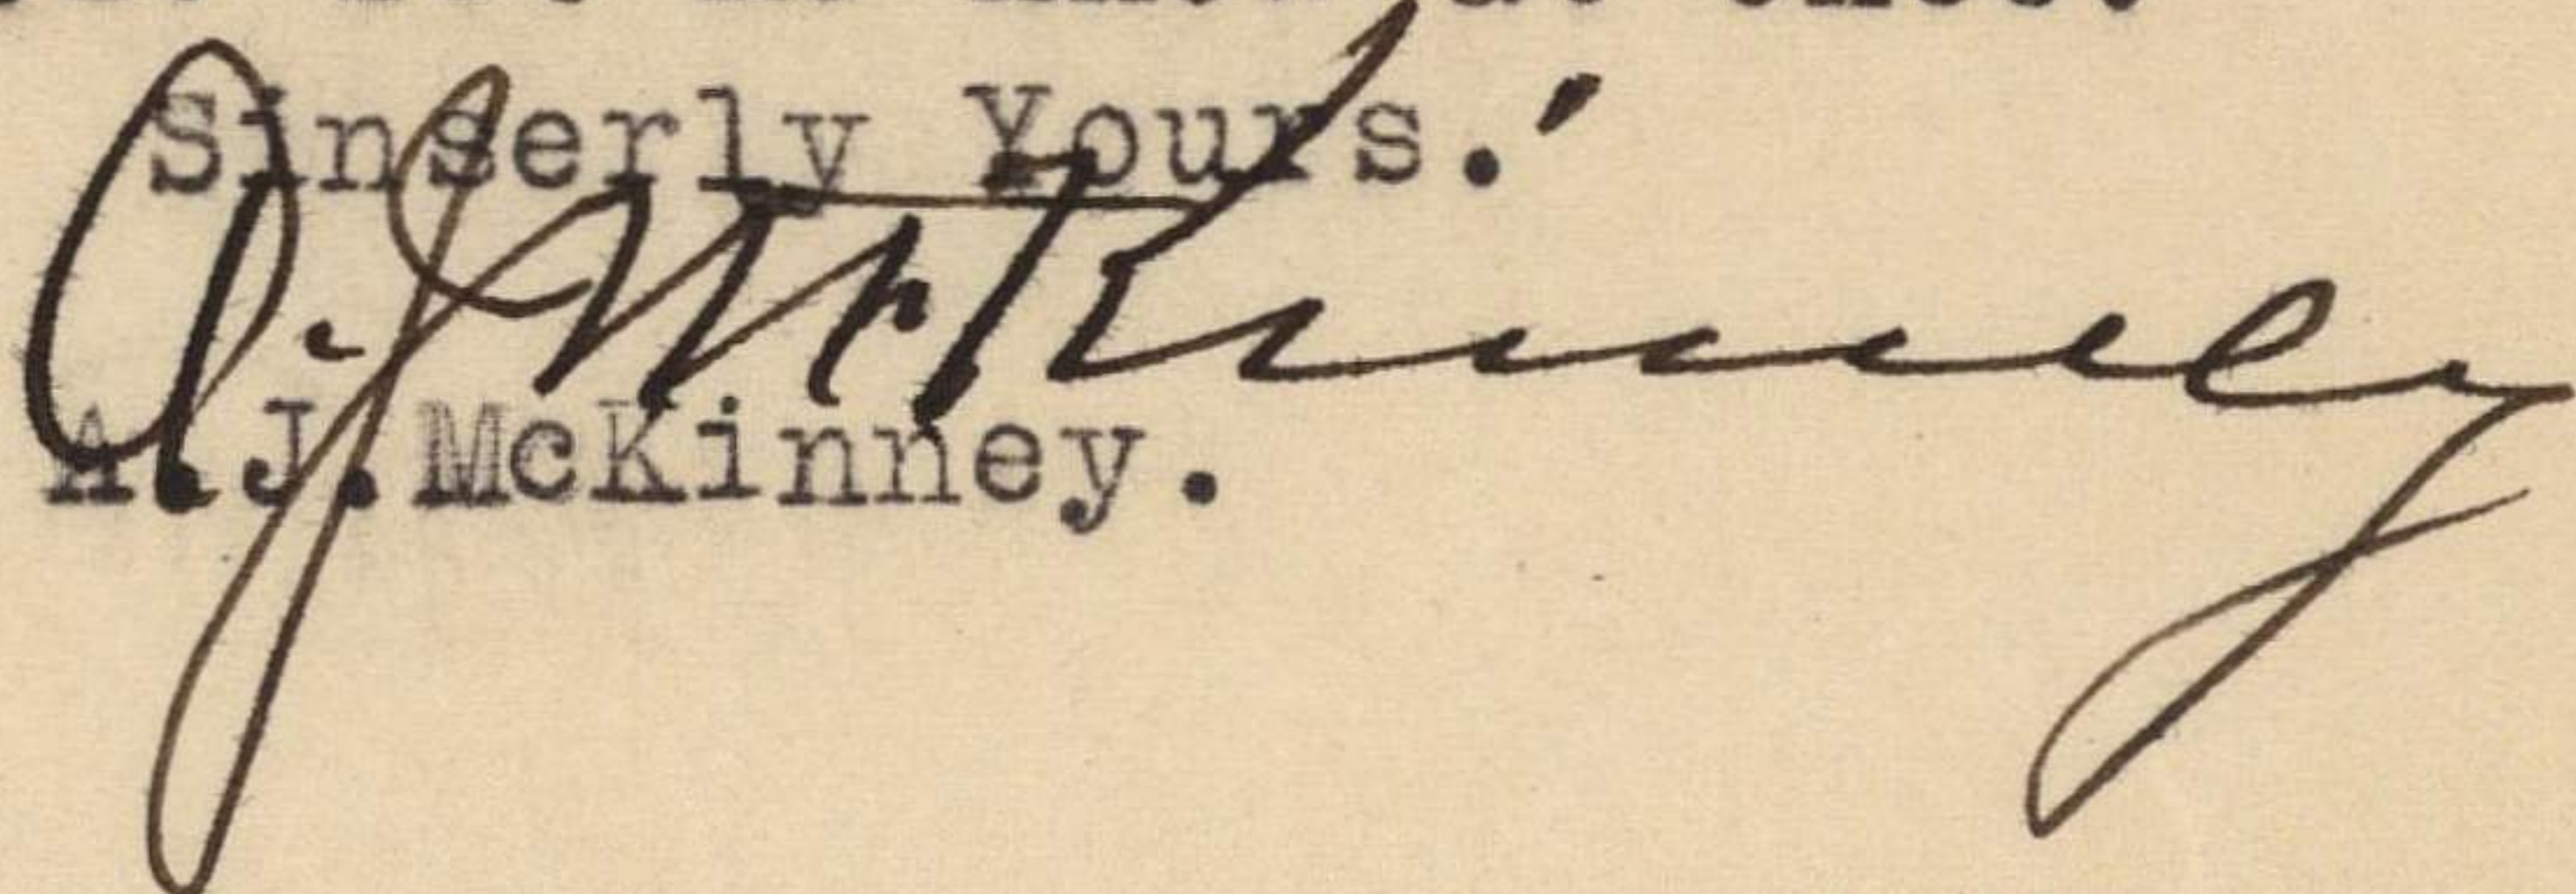

Mr. Forest C.Allen.

Lawrence, Kas.

Dear Sir:

Your house is empty again, and I guess that we will have to have some papering done as I have shown it to some people and they say that they cannot rent it unless it is papered, So let me know just what to do in the matter. It looks like I cannot get any one that will take care of it as they should, but will try to do better hereafter. So let me know at once.

Sincerely Yours.

A. J. McKinney.
