Miss Jane Allen,

Kansas City, Missouri.

Dear Jane:

I am sending you a picture that appeared in the Chicago papers when we played Loyola there. I thought it was good of Bob, and you might not have seen it.

We go down to Columbia to play the Tigers on Thursday, the 18th. I drove down last Saturday to see the Missouri-Nebraska game, and thought Missouri looked fairly good, but Nebraska was terribly poor on offense. John Glenn plans to be with us at Columbia, and wants to buy the boys a steak dinner while we are there.

We didn't look so good against the Kansas Aggies here last Friday night, but we came out with a victory. We missed you at the game.

I am just going to practice, so this must be a brief note, but I did want you to have this clipping.

With love,

Affectionately, Your Dad
