

February 23, 1940.

Dear Jane;

I am sending you a letter from Bill Young, president of the Junior Chamber of Commerce at Council Grove. I took the letter home and read it to Mother and Bob, and since it concerns you I thought you would like to see it.

This boy seemed to be a very enthusiastic and affable person. I was attracted to him by his enthusiasm and personality. I spoke down there Wednesday night at their celebration for the football and basketball teams.

We are leaving tonight for Nebraska where we play Saturday night, and Iowa State Monday night. It is an awfully tough assignment and I am not at all sure that we are going to emerge with much of a reputation.

I trust that you are feeling better, and I still insist that you should come down and have Dr. Schmiegler check you over and recommend vitamin treatment for you.

With love, I am

Affectionately,

Your Dad.
