The Kansas basketball team and I are sincerely grateful for your message of good wishes which reached us just prior to the Oklahoma game. The boys played a hard, clean game, and I am very proud of them. No one who saw the game can say that they didn't do their very best. But the Sooners simply over-shot our boys.

With appreciation for your thoughtfulness, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
