

## FORTUNES

The fortunes which are written on black cats with white ink are placed in a "witch's caldron". Before refreshments the "witch" may allow each person to reach into the caldron to learn what the brew has in store for them. The following fortunes may be used:

You would like an auto and are wondering what you could get in the way of a good one: I see a good bump.

There will be slight disturbances and uprisings around you: but only will you be baking bread.

You have a very pleasing manner with you, and can brighten things up wonderfully for your friends: especially silverware, providing you have a good kind of polish.

A change will occur which will affect you greatly: the thermometer dropping a number of degrees will cause this.

I see a sudden trip in store for you: Likely down cellar steps tomorrow.

Good luck will follow you all the rest of your life: but will never overtake you.

You will figure conspicuously in a literary sphere: most likely a sudden fall over a pile of books.

You are very ambitious and aspire high, and I see you reaching the top of the ladder: house-cleaning time when you are hanging curtains.

You will come before the public frequently, and will be a leader: most likely in leaving street cars or crowded buildings.

I see checks innumerable coming your way: you will tomorrow meet some one with a checked dress on.

The future holds greater things for you: you will find them by going to any hardware store.

You are very fond of water, and it has always been the height of your ambition to take a water trip. I see such a trip coming your way shortly: over a pail of water.

You are of a musical turn: if you had to you could wind up phonograph without injury to yourself.

You are very shrewd in business matters, skillful in the management of others, having a desire to shine: And will, after washing your face with soap.

You will age slowly: every twelve months will add only another year to your life.

You will be very active in social undertakings, but will not be able to keep your place with the others, a polished floor causing your downfall.
