

KANSAS P. T. A. SONG

1. In the heart of good old U. S. A.
We are here to stay, Kansas P. T. A.
Parents, Teachers go hand in hand
For we have the best in the land.

CHORUS

We're the Kansas Parents, Teachers,
On the job we'd have you know,
Oh it's onward, upward trying
with a smile
To equip for our nation, lads
and lassies worth your while.
Kansas Parents, Kansas Teachers,
Always tried and true
We'll work in love and harmony
for aye
Always we'll stand by you.

2. For child welfare there we take
our stand
We're a mighty band, in our sunny land
Better, higher our goal will be
School and home and community.

Tune: SMILES

There are schools that make us happy,
There are schools that make us blue,
There are schools that make a boy
play hookey,
Just as much as studies ever do
There are schools that seem to smile
and meet you,
Where the sunbeams always seem to play,
Where the parent's harmony with teachers
Proves they have a P. T. A.
